7th September '21

Dear Parents/Carers,

We are thrilled to be able to inform you that this year we are once again able to run our full Enrichment program at Atlantic Academy.

Our Enrichment program offers pupils a chance to expand their learning beyond the realms of the classroom and focus on a range of different activities and offers our pupils the chance to work with staff beyond their class teacher.

I have attached an overview of the enrichment activities we will be offering throughout the year. We hope that the offerings will cater for all our students and provide a wide and varied range of activities suitable for all interests.

[Enrichment Choices Form Yrs R to 6](#)

Our clubs run after school, Monday to Friday until 4:15pm where children can be collected from the Primary gates. We would encourage all students, where possible, to use this opportunity to take part in Enrichment clubs and ask you to sign up though the attached form **by 5pm Thursday 9th September**. Pupils will be informed of their successful choices in a letter that will be sent home on Friday 10th September. Enrichment Clubs will start on Monday 13th September and will run for the Autumn term.

I look forward to sharing the successes of our Enrichment groups with you all as the term progresses.

Kind Regards

Miss M Heppell
