Developing Character, Confidence and Commitment

Friday 15th October

Dear Parents,

It's been another wonderful week of sunshine and fun at Atlantic Academy this week.

Beach School Exploring

It's been a while since we updated with Reception's Beach School adventures. This week our mini scientific explorers headed down to Chesil Beach and were greeted with the most amazing sight; a large shoal of sprats near the shore. We are working on plans to expand our beach school activities further up the school and can't wait to have more students learning in the wonderful coastline classrooms Portland has to offer.

Congratulations to all our heroes this week

Parking on site

Thank you to the parents who responded to the parking notice that was shared this week. Unfortunately we had to remind a number of parents to use the ample parking facilities we have at Atlantic. I know you will all understand that using the designated parking areas will ensure that all children on site are safe and well looked after.

Thank you for responding so quickly to our requests.

Healthy Living Week

Our annual celebration of everything Healthy Living runs from 22nd to 26th November. We will be sharing more information about this next week but will require your support! We would love to use the week to celebrate all the amazing achievements and sporting activities our students compete in outside school. If you would like to participate in this please send a picture along with the following information to [Mrs Russell](#)
