

MEDICAL DIETS

MEDICAL DIETS

- ▶ Upon request all parents/ carers will be provided with the allergen information for the existing menu cycle.
- ▶ IFG will feed all pupils with food allergies or intolerances where it is safe and practical to do so.
- ▶ IFG will only provide Medical Diets for pupils who have up to 2 food allergies as identified within the Food Information Regulations.
- ▶ IFG will not provide tailored recipes for allergies outside of the 14 allergens identified within the Food Information Regulations.
- ▶ IFG will not partake in any partial reintroductions.
- ▶ IFG will provide each primary school with the Impact Food Group Medical Diet procedure.

MEDICAL DIET REQUESTS

- ▶ The school is to issue a Medical Diet request procedure to any parent/ carer who reports a food allergy.
- ▶ The Medical Diet request with all relevant information is to be shared with IFG.

RECEIPT

- ▶ The information is shared with the Operations Manager, who will make arrangements for the initial contact with the parent/ carer

MEDICAL MENU

- ▶ The Medical Diet menu will be devised and agreed between the Operations Manager, operations support staff and parent/ carer.
- ▶ The Medical Diet will be issued to the school and the Catering Manager/ Executive Chef, with the child's name and allergen requirements clearly identified at the top of the menu.
- ▶ Where different recipes are required these will be created by the IFG Food Development Team and provided to the Catering Manager / Executive Chef.

COMMUNICATION

- ▶ A copy of a Medical Diet will be issued to the parent/carer of the pupil to agree and sign before the medical menu is rolled out.

IDENTIFICATION

- ▶ All pupils with Medical Diets must be identified by the school to IFG serving staff, prior to lunch service.
- ▶ IFG request that a photograph of each pupil with a Medical Diet menu is provided and shared with the serving staff for identification purposes.

REVIEW

- ▶ Upon receipt of a notification of any change in Medical Diet requirements the Medical Diet menu will be reviewed.
- ▶ If changes are needed the Medical Diet menu will be reissued to the parent/carer for agreement before sharing with the Catering Manager/ Executive Chef and the school.
- ▶ Parents/Carers will be contacted annually to confirm that the allergen information that we hold is correct.
