October 2021

Dear Parent/Carer

## Primary Online Food Ordering

We are excited to announce that you will be able to pre-order your Primary child's lunch online, starting after October Half term.

As you are aware lunches are provided by Impact Food Group (IPG) and your order will be with them directly.

Please see the information attached detailing how to set up an account. When setting up your account please ensure that you select the correct class name and year group to enable IPG to identify your child. If you do not register for an account and your child comes to the canteen for lunch they will only receive a jacket potato until you register.

Please complete your registration by **Friday 15th October** due to us here at Atlantic needing to approve the accounts and this needs to be completed prior to Half Term.

Yours sincerely

**Z Delany**
