Dear Parents/ Carers

## **Covid and Flu vaccinations 12-15 year olds**

As you are aware the School Age Immunisation Service team have advised us that they will not be returning to complete the above Covid Vaccination programme in school, despite several attempts by us to ask them to return.

Before half term we advised you that the NHS National Booking Service is open for appointments, on the following link; [National Booking Service](#). Whilst we understand that some of the venues are quite a travelling distance this is the only option at this time.

Regarding the Flu vaccinations, we have been advised that there is a local Flu clinic being held on **Saturday 13th November at St Paul's Church, Abbotsbury Road, Weymoth from 9am**. Should you wish to book your child into this clinic please use the following link; [Flu Clinic](#), using the unique session code **5fwqcr**.

If you have any questions regarding either vaccination programme please contact;
