Dear Parent/Carer

**Re: FSM Christmas Holiday Voucher Scheme**

We are pleased to confirm that the **Household Support Fund** is available for the Christmas holiday period. The aim is to provide additional support to families in hardship this winter. As part of the fund Dorset Council are providing additional support which includes £200 energy vouchers for households who are in receipt of Universal Credit and have limited capability for work or earnings below the free school meals or free prescription threshold, [further information here.](#)

With this in mind, all children who are currently in receipt of Free School Meals are eligible for a voucher. These vouchers will be provided electronically from <https://evouchers.com/> (previously schoolvouchers.com) and will be valid in a range of supermarkets. The voucher will be £30 per child for the holiday period.

A voucher will be emailed to you by Wednesday 15th December 2021 for you to use immediately.

An additional voucher of £4 per child will also be emailed to you at this time which has been very kindly funded by **Portland Town Council** to help support you during this holiday period. We would like to say thank you to the Council for helping support our families.

Yours faithfully
