Developing Character, Confidence and Commitment

Friday 14th January

Dear Parents,

Well it feels like after only a week we are well and truly in full flow of the Spring term at Atlantic Academy.

Enrichment

We are so pleased to be offering our full enrichment program once again after the success of last term's offering. We received an overwhelming 226 responses to our enrichment choices. Apologies if your enrichment groups were full - if there are any spaces available in any unfilled groups we will be sending out another round of choices next week. A slight change to the advertised flyer, Enrichment will run until Friday 25th March.

Heroes of the Week

To enjoy our virtual Heroes assembly, [please click here](#)

Congratulations to all our heroes this week

Year 6 Hooke Court trip

On Tuesday Year 6 visited Hooke Court for the launch of their new topic, World War I. They had a great time crawling through the mud soaked trenches and imagining life as a soldier.

Victorian Day

Key Stage One took part in an exciting day on Friday. The children travelled back to the Victorian times. They experienced a Victorian School day, embroidery lessons and even got to clean a chimney! A great way to kick-start their new history topic. They seemed to have an absolutely brilliant time even if they declared 'they definitely didn't want to go to school back then, it was far too strict!'

Year 4 Beach School

On Friday it was once again Year 4's turn to take part in our Beach School. Our fantastic beachcombers discovered mermaid purses, whelk egg cases and hundreds of cuttlefish on Chesil after building an active moat with sand castles on Black Barge beach. The children are absolutely loving their beach school sessions and we can't wait to share more from their adventures.

We will be sharing some key dates for the Spring term with you all next week and are looking forward to hopefully hosting some more community events as the weather becomes warmer.
