Developing Character, Confidence and Commitment

Friday 11th February

Dear Parents,

We've definitely had a taste of summer this week - It's a warm reminder of the exciting events and activities we have planned for the Summer term; we are hopeful that we will be able to invite our community to enjoy activities with us.

Internet Safety Day

On Tuesday, we celebrated Internet Safety Day across the Academy. This year's focus was 'All Fun and Games'? We spent the day exploring respect and relationships online. In school, each year group took part in various activities throughout the day. We'd like to extend that with challenges you can do at home. [Please click here](#) to find out more. We'd love to see what children have achieved. Please send your photos and videos to Mrs Dalby (kdalby@atlantic-aspirations.org).

Home Reading

We've noticed that some of our students seem to have fallen out of the habit of daily reading at home. We understand the pressures of families but the impact of reading daily with your child has a significant impact on their achievements at school. At Atlantic academy it is our ambition that every student reads daily at home to ensure they have the best opportunities to progress.

If you need further guidance about the best way to support your child with their home reading please don't hesitate to let us know through the [contact forms](#) on the website and we will be in touch to offer support.

We have some exciting reading challenges as well as World Book Day coming up and hope to see as many of our young pupils engaging in events as possible.

Have a wonderful weekend, and I look forward to seeing you for the last week of our half term next week.

Miss Heppell

Heroes of the Week

To enjoy our virtual Heroes assembly, [please click here](#)

Congratulations to all our heroes this week

February

8th - E-Safety Day
