28th February 2022

Dear Parents/Carers,

## Year 10 Work Experience

In December, I wrote to inform you that as part of the year 10 careers curriculum during the week of Monday 27th June students will be invited to participate in a week's work experience in the local community.

I would like to invite you to a short virtual presentation with myself, as careers lead and Wendy from the Education Development Trust on **Tuesday 8th March 2022 at 4pm**. We will give further detail and information around the benefits of work experience, how to start looking for a placement, steps to support your child and the responsibilities of the employer during this time. Please access the virtual talk by [clicking on this link](#).

Work experience is a very worthwhile opportunity and we know our students will benefit greatly from their placements. I would appreciate it if you could fill in this short [google form](#) if you are aware of any local businesses that will support in offering work experience placements between 27th June- 1st July. Please do not hesitate to contact me via email ([tboard@atlantic-aspirations.org](mailto:tboard@atlantic-aspirations.org)) for further information regarding hosting a student.

Kind Regards

Miss T Board  
Assistant Principal
