7th February 2022

Dear Parents/Carers,

We wanted to say a warm thank you to our whole school community who took time to register their thoughts about our school through the [Ofsted Parent View](#) website.

We've been made aware by a number of parents that many of our school community spent time writing comments and feedback for the Academy through the parent view website. Unfortunately these comments are not shared with us for feedback.

However, as part of our ongoing commitment to improve the outcomes for each and every child here at the Atlantic Academy we would like to hear from you on how you think we are doing and wish to receive this feedback through our [Aspirations Trust survey](#).

The primary goal of our parent surveys is to collect and understand parental opinions, perspectives, attitudes and perceptions towards the academy. The students are also completing a similar survey before the half-term to provide us with a student perspective that will allow us to understand the key issues they are facing, and how these issues may have changed over the course of the last two years.

The link for the survey can be found here: <https://forms.gle/a945gsVkf88dWBir9> and should take a few minutes to complete. If you have more than one child you are very welcome to complete a survey for each child if you believe that your answers might differ.

Thank you for taking the time to complete the survey, we look forward to your feedback.

Kind Regards

Miss Heppell - Principal
Atlantic Academy Primary School

Mrs Bishop - Principal
Atlantic Academy Secondary School
