

Dear Parents/Carers,

Welcome back, we hope you had a relaxing half term break.

This half term, we are excited to be learning all about chocolate and sustainability. How delicious!

The children worked so enthusiastically throughout our Romans topic and we cannot wait to see what adventures and successes we continue to have together throughout this unit.

As always if you have any concerns or issues, please do not hesitate to contact us.

Miss Cornell, Miss Jackson, Mrs Savage and Mrs Colcough.

OUR DRIVING QUESTION:

How can we, as advertisers, persuade someone to buy our chocolate bar?

AS WRITERS we will be exploring the book *Charlie and the Chocolate Factory* by Roald Dahl. We will write our own character description, create an advert and look at Revolting Rhymes.

AS COMPUTER SCIENTISTS we will learn about taking photos and editing them.

AS CITIZENS (PSHCE/RE) we will be learning about how our bodies grow and change as we get older. In RE we will learn about food and fasting and the role this takes in different religions.

AS MUSICIANS we will be learning to sing the soul/gospel song **Lean On Me** by Bill Withers.

AS MATHEMATICIANS we will be covering fractions, time and before ending the term with some decimals.

In Key Skills we will continue to revisit the 4 key operations as well as recapping our previous learning.

AS DESIGNERS we will be coming up with an amazing idea for our own delicious chocolate bar. We will come up with a name, a recipe and actually try and make our own chocolate bar. We will also design a fancy wrapper too.

IN FRENCH we will be learning the French names of different fruits.

AS SPORTS STARS we will be building on our previous Ball Skills unit and incorporating them into sports - encouraging teamwork and individual focus.

AS SCIENTISTS we will be looking at the human body and how we digest and use our food. We will look at how the different parts of the body work together to make digestion happen.
