Developing Character, Confidence and Commitment

Friday 1st April

Dear Parents,

Well the term has certainly flown by, I can't believe we are already in the final week of the spring term.

Sing Up Day

A new event for this year at Atlantic Academy was Sing Up Day. Every primary class has been working hard to learn a song from a particular decade to perform. It's been wonderful to hear so much singing taking place around Atlantic Academy and finally Thursday saw us have the opportunity to all get together and perform our songs. It was wonderful to be in the Sports hall as the whole Primary school and to be joined by some of our Secondary students who showed us some amazing musical talents. As we were unable to invite parents to the event we have managed to film all the songs and share them with you all. I hope you enjoy the singing as much as we did!

Easter Events

As advertised last week, next week we are holding some exciting easter events. On **Tuesday** Miss Powell and her team will be hosting an Easter Egg hunt on the school field. We hope to see as many of you as possible to support this event. In addition, On Friday we will be holding our annual Easter Bonnet Parade - our secondary Student leaders will be awarding prizes through the afternoon.

Enrichment

Last week saw an end to this round of Enrichment Activities. We have celebrated a fantastic take up with enrichment and I know our students have loved participating in our after school clubs. New Enrichment clubs will be sent out in the first week of term and we look forward to keeping you up to date with all the activities that we have taking place.

Have a wonderful, if a little chilly, weekend! See you all for our last week of term on Monday.

Miss Heppell

Heroes of the Week
