Friday 13<sup>th</sup> May

Dear Parents,

Well it's definitely feeling like the summer term with a strong dose of sunshine this week.

### Uniform

As started at the end of last term, we are now in our Summer uniform. This means children no longer need to wear jumpers and they can be left at home. In addition, if you would like to provide your child with a sun hat or sun cream in the playground then please feel free to do this, unfortunately we are unable to support children when applying sunscreen so they need to be able to do this themselves. As blazers, hats and accessories are often removed in classrooms when it's warmer, please ensure you label all items of school clothing. This makes it much easier to ensure the right equipment is returned to the right child at the end of the day!

### Year 6

A special mention needs to go out to Year 6 this week who have worked incredibly hard completing their SATs. These end of Key Stage 2 assessments are designed to look at the progress made in Primary school and celebrate all they have achieved. Our Year 6's worked incredibly hard and focussed well over the week; we really couldn't be prouder of them.

### Summer Term Events

We have an incredibly packed Summer term calendar coming up, please do keep an eye out for any slight changes to dates where we have to. The next parent events are our 'Celebration of Learning', at the end of the half term which provides parents with a chance to come into classrooms and look through children's books and work - something we know has been missed over the past few years. We also have exciting plans for our Jubilee Celebrations on June 10th. Our 'Best of British' Queens Carnival will be taking place in the afternoon and parents will also be invited to attend. We can't wait!

I hope you all have a fantastic weekend, and I look forward to seeing you on Monday.
