Developing Character, Confidence and Commitment

Friday 20th May

Dear Parents,

What a super week we've had at Atlantic. I can't believe we are already approaching the last week of this half term, where is the time going?

Year 6 Sailing

Those of you who have been with Atlantic for some time know it's now a tradition that one of the Year 6's rights of passage is a day spent sailing with the Andrew Simpson Water sports centre. On Thursday our Year 6's enjoyed a morning on the water followed by a day at Beach school. What an amazing day they had, the weather was kind and the children all returned sun kissed and exhausted!.

Events Coming up

We have a very busy week coming up with events in school. This week we will be welcoming our new Reception starters with their first 'Stay and Play' session. This will be a great opportunity to meet families old and new and welcome them into our Atlantic community. In addition, we have our Year 3 trip this week to visit the Tutankhamun museum. Finally we have our exhibition of learning - a chance to welcome parents into classrooms to celebrate the learning we have been completing over the course of the year - exciting times.

Jubilee Celebrations

At Atlantic our Jubilee celebrations will be taking place the week after half term. During the week we will be hosting an arts week which provides an opportunity for children to select a group to work in - with mixed ages - to create a carnival display. We will be displaying these magnificent masterpieces with a carnival procession on Friday 10th June. Parents, careers and the community are all welcome. We hope to have an afternoon of celebrations, festivities and excitement as we all come together to celebrate a special time. We look forward to seeing as many of you there.

I hope you all have a fantastic weekend and enjoy the sunshine.

Miss Heppell

Heroes of the Week
