Developing Character, Confidence and Commitment

Friday 10th June

Dear Parents,

Well, what a day we had yesterday! I'm blown away by all our parents' support and our children had a wonderful time taking part in our first ever carnival!

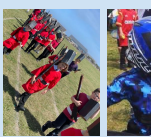

Arts Week

This week, we have been celebrating Arts week. For the first time since Covid regulations, our children were able to work in vertical groups from reception to Year 6. It was absolutely delightful to see our oldest children acting as mentors and supporting their younger peers in school. The children each chose a group and teacher to work with and worked hard for 3 afternoons this week to create some spectacular carnival floats. It was wonderful for our staff and students to get to know other members of our school community.

Jubilee Carnival

Not to be upstaged by the Jubilee pageant, we set to run the first ever Atlantic Carnival. Wow, our children and staff certainly made us proud. Our Carnival was set to demonstrate the 'Best of British' and it certainly did just that. We had everything from Flying birds, to playing cards, to a float demonstrating the best of the British weather (including Wellington boots!), sports stars, dancers and a collection of corgis to name just a few.

Thank Yous!

It's obviously a large operation running an event like a carnival and we couldn't make it happen without the support of our amazing staff and community. First, I can thank our parents who worked with us and our slightly evolving plans throughout the week. I'd also like to thank all the staff who have worked incredibly not only with our students but behind the scenes, packing picnics, setting up band organisation and logistics. Finally, I'd like to thank students, both Primary & Secondary, for taking part and throwing themselves into the event.

We've got many more events coming up over the summer term and hope to see as many of you as possible for more celebrations.

Miss Heppell

Heroes of the Week
