Developing Character, Confidence and Commitment

Friday 23rd September

Dear Parents,

Well it's good to be back with our weekly newsletter round up of all the action and events at Atlantic Academy. Can I offer a very warm welcome to all our new families who have started with us at Atlantic this term. It's been a delight to watch all our new students settle in so well - they really have been amazing.

Meet the Teacher

It feels like a long time ago that we had many parents and families stay after school for our meet the teacher events. I hope you found the afternoon informative and helpful. If you were unable to attend the event we will be emailing any material you missed to help keep everyone informed.

School trips and events

So far this term we have already had a number of school trips taking place. Our weekly Beach School sessions have begun with Reception, and Year 1. Year 1 have also explored our local island for their Geography fieldwork working with the weather to explore tout quarry. Year 2, Year 3 and Year 4 have also been completing their fieldwork studies and Year 5 and 6 enjoyed taking part in a coding day alongside other schools in Dorset.

Finally we have our Macmillan Coffee Morning on Friday 30th September - we would love to see as many of you as possible for the first of our social events for the year

Inter School Events

New to us at Atlantic this year is the launch of our Schools. Each child is allocated a school to belong to when they join us. Students are either in Church Ope Cove, Castle Cove or Chesil Cove. This week we launched the first of our inter schools competitions: A Tug of War. The first round saw some close contests but Castle cove are currently top of the leaderboard. We look forward to sharing more contests and events throughout the year.

I think it's going to be a busy few weeks but I look forward to sharing the activities and achievements with you all along the way.

Miss Heppell

Heroes of the Week
