Dear Parents/Carers,

We are pleased to inform you, following parent feedback, that we have made some changes to our main reception area at Atlantic Academy.

Under covid guidance, we separated our reception areas to ensure all bubbles were followed. Whilst this was reported as a positive change by some parents the general consensus was that this was not the ideal solution. Over half term we have relocated all reception areas back over to main reception - this will now be the single point of contact for all.

Our reception area will be available to any visitors, students needing collection or for any pre arranged appointments. The Secondary gate will close at 8:27 - any late arrivals will need to be signed in through main reception.

As always, the easiest way to contact the school for any queries is to use the [main contact forms on the website](#) - these will ensure enquiries go directly to the right people - unfortunately staff may not always be available if meetings are not pre booked.

Kind Regards

Mrs Bishop - Principal Secondary

Miss Heppell - Principal Primary
