Dear Parents/Carers

Atlantic Parent Forum

Working with our community is something we feel incredibly passionate about at Atlantic Academy. Our aim is to ensure Parents and Carers can be involved in the school to help us develop and grow and together, continually strive to be the best we can. One important way to do this is to continue to establish a strong parent forum in both Primary and Secondary Phases.

The parent Forum gives those involved the opportunity to represent all parents and Carers regarding any matters they may want to raise with our school, to hear about developments within the Academy or to contribute to Policies or practice. Parent Forum is a relaxed, informal platform to meet with staff, share views on how things are going and how we can improve.

Following successful meetings last year we would like to formally invite parents to apply to join our Parent forum for this academic year. We have scheduled in the following dates for our Parent Forum meetings:

Tuesday 18th October 2pm

Tuesday 21st March 2pm

Tuesday 11th July 2pm

If you are interested in attending our parent forum please complete our [Application of interest form](#) by Friday 14th October and we will be in touch to confirm attendance.

Kind Regards

Mrs L Bishop
