19th October 2022

Dear Parent / Carer

## Re: Unit 1: Pre Public Examinations (PPEs) and Assessments

During the fortnight commencing 14th November 2022, we will be holding our Unit 1 **Pre Public Examinations (PPEs), assessment fortnight** for students in Years 7-10. This fortnight will act as our first checkpoint to see how students have progressed since the start of the academic year. Students will be assessed on all their work since the beginning of the course or year.

Attached is a copy of the Year 7 to 10 Unit 1 Examination timetable for your reference, this is subject to change. The outcomes from these examinations will be shared with students on Friday 9th December, where we will **celebrate the progress** made, as well as informing students of the new teaching groups if appropriate. For Y10 students the results from these PPEs will also influence the **Tier of Entry** for Maths, Science and French GCSE Exams. All students need to continue to focus on completing their homework to a high standard, and carrying out their own independent revision in preparation for these examinations.

In order to support all students with their revision for these exams, homework will be revision only from the 7th to 24th November, students will be expected to show tutors evidence of their revision in tutor time.

We wish your child all the best and trust their preparation for these exams will go extremely well.

Yours faithfully,

Mrs L Migliari  
Vice Principal
