Developing Character, Confidence and Commitment

Friday 18th November

Dear Parents,

This week we have collected money for charity, have raised awareness of important matters and learnt how we can support one another.

Anti Bullying Week

All week we have been raising awareness of bullying and discussing how we can support our friends and who we can turn to for help. Our Anti Bullying ambassadors have been out in force as we have been discussing different scenarios to identify what bullying looks like and how we can prevent it and support others. It's been a great week with some valuable discussions taking place in class.

Children in Need

Once again we spread a rainbow of positivity for Children in Need this year, it was fantastic to see so many dressed in their class colours sharing positive messages with one another. Thank you to everyone who donated and made an effort in their colours for the day. We hope you enjoy the positive poster that we created. It's wonderful to have a whole school activity that we are all an important part of.

Trips and Events

We have a large number of trips and events taking place at Atlantic this term. Trips and events are a key part of our Curriculum and we are keen to ensure all children have the option to participate in all the visits we put on. Please can I ask all parents to try and respond to trips in a timely manner, this means that if there are any issues that arise we have the resources and time to help support where possible.

I know we will have another great week at Atlantic, a reminder that Friday 25th November is an inset day and children will not be required to attend school.

Miss Heppell

Heroes of the Week

To enjoy our virtual Heroes assembly, [please click here](#)

Congratulations to all our heroes this week

November

- 22nd November - Dorchester Museum Trip Year 3
