Developing Character, Confidence and Commitment

Friday 4th November

Dear Parents,

Welcome back! I hope you all enjoyed a wonderful half term break. It's been great to return to such a busy and active week as we celebrated Healthy Living Week this week. Our children have been active all week as they have taken part in various activities and challenges.

Razzamataz

Healthy Living week started with Razzamataz dance company who joined us for the day to teach all children, from Reception to Year 6, a dance routine. Every single child participated in the activity and together we managed to produce a fantastic performance [which you can watch here](#). We hope you enjoy it!

Football Freestyler

Healthy Living week concluded with visiting footballer, Stephen Gray. We enjoyed a fantastic performance and then we spent some time learning different tricks and techniques - what a great day!

Challenges and Activities

All week our students have participated in a range of lessons learning all about healthy lives, lifestyle choices and environmental issues. Alongside these activities, we participated in breaktime challenges and activities. We've had such a fun week and are thoroughly exhausted.

Curriculum Newsletters

This week we have shared our Curriculum Newsletters for the term. The newsletters are designed to keep parents informed of the curriculum areas children are learning across the half term. [An overview of all curriculum newsletters can be found on the school website.](#)

I hope you have a wonderful, if a little blustery, weekend and look forward to seeing everyone on Monday.

Miss Heppell

Heroes of the Week

To enjoy our virtual Heroes assembly, [please click here](#)

Congratulations to all our heroes this week
