Dear Parents/Carers,

World Cup Reading Challenge

At Atlantic we are passionate about ensuring every child is a reader and enjoys reading for pleasure. This year, therefore, we are running an exciting Reading Challenge to tie in with the World Cup.

We are inviting students to read and review at least five novel length books written or set in the countries participating in the World Cup over the course of the competition, and then write a review. Students will be given an entry into a prize draw for each review they submit. They could hand write these in practice books, or use the documents on their Google Classroom.

Each KS3 English Google Classroom also has a new Assignment called 'The Atlantic World Cup Reading Challenge' with slides suggesting books students could read, articles about the World Cup, and more details about how to complete the challenge.

We look forward to reading the reviews.

Yours Faithfully

Mr C Wadley
Deputy Subject Lead Secondary English
