Developing Character, Confidence and Commitment

Friday 20th January

Dear Parents,

The sun appears to have made a welcome return for the end of this week and weekend and we couldn't be more grateful!

Building Works

A massive thank you to all of you for your patience over the last few months whilst we have had building works taking place at Atlantic. During this time we have had restricted access to the building and have been having to use the front entrance to access the school site. Although there were very few days of work that needed to take place, the relentless wind and rain we saw through December and January meant the works were stalled. We are pleased that they should finally be finished for Monday and we are hoping entrance to the school will return through the playground gates.

Having a staggered arrival time is something that has worked well for parents and students so this will remain. Parents with children in Reception to Year 2 are invited to take children to their classroom doors but Children from Year 3 upwards are encouraged to make their own way to their classrooms to ease congestion. A reminder that the primary Gates open at 8:30 and close at 8:40 at which time all students are expected to be in school.

Chinese New Year

Year 3 had a great day on Friday learning about the Shang Dynasty for their topic this half term. In addition they have been preparing for our Chinese New Year Parade that is taking place in school on Monday - all our classes will come together to celebrate the Chinese New year with dragons, lanterns and music.

Enrichment Clubs

Our Enrichment clubs have been running for a week already and are incredibly popular this term. Please do let us know if your child no longer wants to attend as we have long waiting lists.

Thanks as ever for your continued support and I look forward to seeing you on Monday.

Miss Heppell

Hero of the week
