

Dear Parents/Carers,

Welcome back to our final term in Year 2!

We have an exciting half term ahead looking at people who have changed the world. We will be researching inventors, explorers and pioneers. Not forgetting our trip to Monkey World!

Please remember to read each day and complete TT rockstars to earn those arithmetic badges!

Thank you for your support,
Miss Frampton and Miss Heape

OUR DRIVING QUESTION:

How have people overcome adversity to change the world?

AS WRITERS we will be writing instructions on 'How to survive an expedition' and a biography of a significant explorer or pioneer. We will be reading 'Fantastically Great Women Who Changed The World' and 'The Journey' by Francesca Sanna.

AS MATHEMATICIANS we will be learning about measures and statistics, and revising all of our Year 2 maths knowledge.

AS HUMANITARIANS we will be exploring what motivates people to change the world and how they prepare for this. We will be researching women who changed the world and asking 'Are all journeys an adventure?'

AS COMPUTER SCIENTISTS we are going to be using Scratch to create quiz programs.

AS ARTISTS we are looking at portraits and self portraits, focussing on picasso and cubism.

AS SCIENTISTS we are going to review our learning across the year to evaluate our learning. We will be discovering our areas of strength and areas we need to improve on.

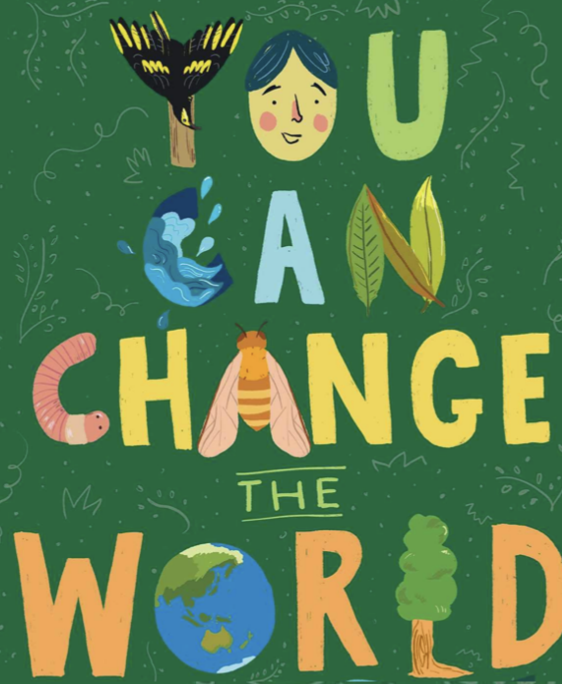

AS CITIZENS (PSHE/RE) in RE we will be looking at Places of Worship. In PSHE we will be thinking about growing and changing.

AS MUSICIANS we will be appraising and learning songs all about friendship.

If you have any queries or questions in regards to learning please do get in touch.

AS ATHLETES The athletics season is upon us! The children will be revisiting sprinting, hurdles and long distance running. As well as javelin, target throwing and long jump to complete our track and field events!

Please remember P.E is on Thursdays so children need to come to school in uniform with their PE kits in their bags.

How have people overcome adversity
to change the world?

Termly homework

Please choose at least two of these projects to complete at home and bring into school to display.

Aspire Challenge!

Prepare a presentation about your hero and present it to your class

Write an exciting diary entry about Monkey World

Aspire Challenge!

Decide how you are going to change the world and create a poster

Sketch, paint or collage a portrait of a person who has changed the world

Aspire Challenge!

Make a bug hotel - take a photo and email it to us

Write about how you would change the world
