**Maths Homework Information** 

# **Self-Quizzing Homework Timetable:**

Each evening you will self-quiz using your Subject Knowledge Organiser for 30 minutes. Below you will find information about which Subject Knowledge Organiser you need to self-quiz from on which evening. Each subject has divided their Knowledge Organiser(s) into 9 'segments': these are the 9 pieces of Knowledge Organiser Homework you will complete for the relevant subjects. You have been set a different segment of the Subject Knowledge Organiser to complete each week, clearly labelled on each Knowledge Organiser. Your teacher will test you on this segment of information each week after your Subject Knowledge Organiser Homework, to assess how well you have learnt the information. The 'mark' box allows you to record your score out of 10 from your end of week quiz.

Monday	Tuesday	Wednesday	Thursday		Friday	Weekend
			Your two opt	tions from the	three below:	
Maths (set by Maths team)	English	Science	History	French	Geog	Vocational as directed

## **Self-Quizzing Expectations and Instructions**

It is expected that you complete **one page** of self-quizzing, as a minimum. This should take around **30 minutes**. You should not leave blank lines on the page, including in between pieces of information (if you are self-quizzing diagrams, you can use more than one line to copy the diagram into your practice book). The information you self-quiz should be numbered in your practice book with the same numbers used on the Subject Knowledge Organiser.

Tutors will check your Subject Knowledge Organiser homework the next morning during AM Tutor Time. They will be looking for a **full page of self-quizzing** on the correct numbers of the Subject Knowledge Organiser, as well as for **purple pen ticks/corrections** and **good presentation** (including your **H/W, Title and Date underlined with a ruler).** Your writing needs to be neat and legible. If your tutor feels that any of these elements are not up to standard, your tutor will enter you for a detention that same day.

# These are the steps you should follow to complete effective self-quizzing (look, repeatedly say aloud, cover, write, check):

- 1. Identify the Subject Knowledge Organiser segment for the week.
- 2. Open up your practice book and on the top line, write 'H/W' in the margin, the Title (the subject you are completing) on the other side of the margin line and the Date on the right hand side (see the model on the next page). Underline all three with a ruler.
- 3. Place your Subject Knowledge Organiser segment in front of you. Start with the first numbered piece of information within the weekly segment. Read and memorise the piece of information we recommend saying it aloud. Repeat this process several times, until you are confident enough to use your practice book to write the knowledge point down.
- 4. Close your Subject Knowledge Organiser or cover up the piece of information, and try to recall the knowledge. On the line directly beneath your H/W, Title and Date, write the correct number from the Subject Knowledge Organiser and the piece of information from memory.
- 5. Check it and correct any mistakes. Open up your Subject Knowledge Organiser and look at the piece of information using a purple pen tick the piece of information in your practice book if you have recalled it correctly (word for word). If you have incorrectly recalled or missed any part of the information, use your purple pen to cross the knowledge point.
- 6. If you recalled the piece of information incorrectly, go back to step 3 and **in purple pen**, repeat the process again for the same piece of information (remember to cover up previous attempts in your practice book as well as the piece of information in your Subject Knowledge Organiser). When you have recalled the information correctly (word for word), tick the attempt and move on to the next piece of information within the weekly segment. You may find that you need to complete a few purple pen attempts before you recall the knowledge point word for word.
- 7. Repeat the steps above until you have recalled and written down all pieces of information within the weekly segment. If this has not filled one full page of your practice book, go back to the first piece of information within the weekly segment and repeat the process again, until you have filled an entire page.

# **Student Self-Quizzing Model**

17/1/19 21) Shape craft. The use of setting frops to convey ideas. The front door bongs everythine a characler enter of leaves. This makes the audience wonder who it is, lighting is used to show enother, pink is used to show the rose thinked view on life the Birling have, but brons trighter, harder when the truth corner out.  22) Religious imagery. The Imagertor suggests we have a sacred duty of care towards and should show images of fine and blood and anguich likering to the should show images of fine and blood and anguich likering to the series and of the world in the book of revalation where people were principled for their sins.  23) Social responsibility friently uses the flay to promote social responsibility friently uses the flay of play to promote social responsibility friently uses the flay shape directions can also reveal extra unformation to the actor (autress on how to present their disrecter at that point in the flay shape directions can also reveal extra unformation to the audience about the character.  25) Beginnings and endings friently precess the action between Acts to make the audience vait and enviside how a character will report.  26) Omniscience The Inspector seems to be omniscient—he leneurs what will happen and him characters will react.  27) Symbolism—Characters represent particular social groups (Mr. Birting represents the hypocinism of the upper Edwardson clarn).  28) Colleguest language—Characters use language to represent their social sladus. # **Maths Homework Information**

Year 10 students will be set self quizzing homework from their CGP knowledge organiser/revision book. In addition, your maths teacher may set work via MathsWatch or Mymaths. Your teacher will share password information with you.

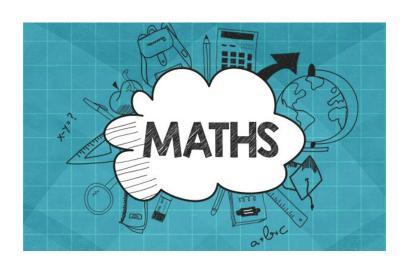

**Times Table Rock Stars:** Being good at your times tables will help you to complete all areas of your maths work. The more you practise, the quicker you will get.

# **General Subject Homework**

Beyond our Knowledge Organiser homeworks, built into the weekly schedule of Year 10 and 11 homework is a 30 minute homework each week for each Ebacc subject as well as time to support vocational deadlines. We allow a week for completion but there is a basic alignment with the day of subject KO nights so that students do not feel overloaded, ie. Monday - Maths, Tuesday - English, Wednesday - Science, Thursday - History, Friday - French, Saturday - either Geography or History, vocational at weekend as pertinent.
