RE - Bikeability Level 1 & 2

Dear Parents and Carers

Throughout November and January we are offering free Bikeability cycling competency lessons to students in Years 4 and 5. Level 1 and 2 can be gained by those wishing to partake.

Students will need to supply their own working bicycle and helmet for their sessions. For more information on what Bikeability involves, please follow this [link](#).

Please complete [this form](#) showing your interest for your child - as soon as we have received numbers we will be able to tell you the dates your child will need their bicycle at school. Lessons will take part within the school day.

Please note, these lessons are optional for those wishing to improve their cycling competency and road safety.

Should you require any further information please do not hesitate to email me via the Academy website contact form.

Yours faithfully

Ms C.E Russell
Primary P.E Coordinator
