Dear Parents/Carers,

Think Big, Dream Big - Careers Related Learning

At Atlantic Academy we are passionate about ensuring our students are equipped with skills to fulfil their potential. We have begun a careers program called 'Think Big, Dream Big' which will help us to develop our careers related learning, building on Careers Week and our exciting PSHE curriculum.

We are looking for parents, family members and members of our community to deliver assembly talks and workshops to our Primary aged children about their job or career.

If you feel you would be able to support our careers related learning in any way, please complete this [form](#).

I look forward to hearing from you and if you have any questions please do not hesitate to complete a contact form.

Yours faithfully

J Frampton

Miss Frampton
Personal Development Lead
