Dear Parents/ Carers,

Uniform Letter - clarification

Following feedback we have received from some parents we would like to clarify changes to our [uniform policy](#) specifically in regard to skirts.

We acknowledge that outlet options for uniforms are limited in the Weymouth and Portland area and further the lines they stock are also limited. We also acknowledge that a pencil skirt does not suit everyone and does not support keeping it at the knee. Therefore, we have made an adjustment in the policy to remove the need for the skirt to only be a pencil style skirt. The requirement for the skirt is now **a plain black knee-length uniform style skirt**. To further clarify, the following are **not acceptable**: rolled up skirts, skirts that are bodycon or not regulation length. There should also be no visible studs, patterns, buttons, embellishment or trimmings.

If you are unsure about what style to purchase, please refer to our [uniform policy](#) or contact the school via our [contact forms](#)

If your child is in an incorrect skirt and you are struggling financially please do contact us on the [contact forms](#) on the website and we will be happy to support.

We appreciate your support in ensuring your child wears appropriate uniform and in the appropriate manner so that we can all focus on the core business of their education.

Yours faithfully

S Hendrie
