## OUR DRIVING QUESTION:

## How does the climate in the Arctic and Antarctic differ to the UK?

**AS WRITERS** we will become poets using our knowledge of expanded noun phrases. We will also write instructions on how to survive in the Arctic. Using our class text we will also write super setting descriptions and cracking character descriptions!

**AS MATHEMATICIANS** we will be learning all about fractions - how to find a half, quarter and a third. We will also be improving our understanding of money.

**AS GEOGRAPHERS** we will be exploring how the Arctic and Antarctic are different to the UK. Exploring the climate, geography and the inuits.

**AS COMPUTER SCIENTISTS** we are going to explore data handling through using an online program j2e.

**AS ARTISTS** we will be exploring the artist Escher and improving our printing skills.

**AS SCIENTISTS** we will be

**AS CITIZENS (PSHE/RE)** we will be learning all about our rights and responsibilities, and exploring Islam as a religion.

**AS MUSICIANS** we are going to become composers and make our own soundscape for a train.

### THINGS TO REMEMBER

**AS SPORTS STARS** it's all about Bats and Rackets! We will be building on previous skills learnt and incorporating them into rounders, tennis and cricket games. Ensuring our throwing, catching and striking is perfected, individually and as part of a team.

- Please make sure that all uniforms and coats are named.
- Please ensure your child brings their own water bottle into school.
