

2nd February 2024

Dear Parents and Carers,

Re: Unit 2: Pre Public Examinations (PPEs), Assessments and Revision

During the period of 20th February to 10th March, we will be holding our **Unit 2 assessment weeks** for students in Year 11. The assessment weeks will act as a checkpoint to see how students have progressed so far in their courses and to allow teachers to identify and plan to address any gaps in learning.

During and just following this period there are also Vocational Practical Exams for students who study Hospitality, Music and Drama. These are **NOT mocks or PPE, but the real exam which is worth up to 60% of their course**. It is essential that students of these subjects are in school on these days to ensure that these practical exams are completed.

All students need to continue to focus on completing their homework to a high standard, and carrying out their own independent revision in preparation for these examinations. In order to support all students with their revision for these exams, homework will be revision only from the 19th February to 10th March, students will be expected to show tutors evidence of their revision in tutor time.

The following websites can be used to support students revision for the PPE exams, there are links to many of these from the Atlantic Academy Website:

- Focus elearning (GCSE Science Required Practical support)
- Seneca Learning (Free online revision site)
- My Maths
- Maths Watch
- Maths Genie
- Subject specific google classrooms

Please see below a draft assessment timetable for Years 11, this is subject to change. The outcomes from these examinations will be shared with students in the weeks following the assessment, allowing teachers the required time to mark and moderate the papers. **Reports uploaded to Arbor app: Thursday 28th March Year 11** Reports live on Arbor app

Any student who has any **absence** during the PPE window will be required to complete any missed exams under exam conditions on their return to the Academy and students may be expected to stay after school to complete these. We wish your child all the best and trust their preparation for these exams will go extremely well.

Yours faithfully

Mrs L Migliari
Vice Principal
