13th March 2024

Dear Parent / Carer

## **Trips and visits**

We know the cost of living is something that is impacting all of us, with the rise in fuel prices and increase in transport costs, trips and visits outside of the academy is also being impacted by the cost of living.

In order to get more of an idea around trips and visits students would like to attend, and that you would like us to offer for your child I have created a google form to gather your thoughts and opinions.

Please use this [google form](#) as an opportunity to share your thoughts on trips you would like to see, and any other comments you would like to contribute. I am really taking this as a point in time to hear from parents, students and staff with the aim of building a robust trips and visit schedule in secondary, with more notice and planning to ensure activities can be paid for in a timely manner.

I really appreciate the time you are taking to complete, and I look forward to hearing your ideas around opportunities moving forward.

Yours faithfully

Ms T Board  
Head of Chesil Cove House
