

Dear Parents/Carers,

Welcome back to school for the Summer term, I trust you had a wonderful Easter break.

This term we will be flying out to Nairobi, Kenya to explore and compare a completely different place to the United Kingdom and the Polar Regions.

Please remember to keep up with the homework expectations of reading and TT rock stars.

Thank you for your support,
Miss Frampton, Miss Ramsey and Miss Johnson.

OUR DRIVING QUESTION:

How is life different for the children of Africa?

AS WRITERS we will be producing stories based on the text 'Mama Panya's Pancakes'. Later on in the term, we will write a diary of the day in the life of the 'Big 5'.

AS MATHEMATICIANS we will be learning all about time and measures.

AS GEOGRAPHERS we will be exploring maps of Africa and Kenya, looking at the similarities and differences between Kenya, the UK and the Polar Regions.

AS COMPUTER SCIENTISTS we are going to improve our computational thinking by creating and debugging algorithms.

AS ARTISTS we are looking at ceramic artist Louise Goodman and developing our sculpture skills by designing and creating coil pots.

AS SCIENTISTS we are going to be exploring and comparing the differences between things that are living, dead, and things that have never been alive. We will also notice how animals and humans have offspring who grow into adults.

AS CITIZENS in RE we will be learning all about Buddhism, including why they meditate and the importance of Buddha.

AS MUSICIANS we will be expressing ourselves creatively when we are practising and performing our amazing MayFair performance. We will also turn into composers and look at scoring a snippet of a Charlie Chaplin film.

THINGS TO REMEMBER
If you have any queries or questions please do get in touch with the team via the contact form on the website.

AS ATHLETES we will be progressing on last term's ball, bat and racket skills with the introduction of summer sports that enhance and develop prior learning, encourage teamwork and cooperation including cricket, rounders and tennis amongst others.

How is life different for
the children of Africa?

EXPLORING Africa

Termly homework

Please choose at least two of these projects to complete at home and bring into school to display.

Research and create an information text for a country in Africa.

Write an adventure story about safari in Africa

Create a collage of drawings, images and captions for the animals both on land and at sea in Africa.

Have a go at creating Mamma Panya's pancakes

Create an African sunset silhouette picture

Record a weather forecast for Kenya.
