13th May 2024

Dear Parents/Carers,

Primary Careers Week and Dress Up Day - Monday 20th - Friday 24th May

Following the success of the past few years we will once again be running our Primary Careers week in the week beginning Monday 20th Ma. During the week, children will be taking part in workshops, attending assemblies and hosting visitors from a range of job roles. We will welcome visitors from the NHS, the Army, CG Fry's building and Digital Media. We use this week as an opportunity to encourage students to look to their own futures and start thinking about creating their own paths, it's never too early to develop aspirations for the future. Please engage in conversations around this area and share your own experiences with your children.

As a new initiative, dreamt up by our Year 6 students, this year we are inviting students to dress up as their dream job on **Friday 24th May** to celebrate the end of our Primary Careers week. Please do discuss these career choices at home and we would try and encourage you to think creatively about careers please don't spend money on elaborate costumes.

On **Friday 24th May**, please send your child to school wearing their desired outfit. PE lessons will still take place as normal on this day. We are using this as a fundraising opportunity for Weldmar Hospice a charity selected by our student Leaders, donations can be sent via [this link](#). The suggested donation is £1 per child.

If you have any questions in regards to careers week, or want to offer some additional support, please contact via the [Atlantic Contact form](#).

Thank you for your continued support.

Yours faithfully,

E Powell
