Dear Parent/ Carer

RE: Summer Enrichment Offer

This week during assemblies I have launched our enrichment days activities programme that will take place on Friday 19th July and Monday 22nd July.

We use these days to expose students to opportunities they may otherwise not have had. Each year group will have a trip outside of school, and one day off timetable completing activities inside of school.

Please see below the offerings made to students. For the out of school activities please note the cost associated. Students are able to select their choices for the activities as of 8am Friday 3rd May until Wednesday 8th May. Thereafter we will open ParentMail for any payments.

We will use a google form for the initial selection of activities which students can make their selection from the link sent via email to their accounts.

As with all trips we reserve the right to withdraw a student from the trip on the grounds of their behaviour and conduct in the time leading up to the trip.

Yours faithfully,

Ms Board
Head of Chesil House
