

Sports Premium Statement 2022/23

Sport and PE at Atlantic Academy

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE:**

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Under the [Ofsted Schools Inspection Framework 2015](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this. Schools are required to [publish details](#) of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

Schools must include the following:

- how much PE and sport premium funding you receive for this academic year
- a full breakdown of how you've spent or will spend the funding this year
- the effect of the premium on pupils' PE and sport participation and attainment
- how you will make sure these improvements are sustainable

SECTION 1 – SWIMMING AND WATER SAFETY self rescue focus.

Are your PE and sport premium spend and priorities included on your school website?

Yes

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

During the 2019-20 Academic year the Coronavirus pandemic prevented the Year 6 cohort from attending their scheduled swimming lessons. For this reason no data was available to be obtained from this cohort. Other Year groups were able to access the scheduled swimming earlier in the year and Sports Premium funding was used to support lifeguard training for those already proficient in swimming.

Swimming and Water Safety	
• What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	77.2%
• What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	72.9%
• What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	80%
• Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

SECTION 2 – REFLECTION: WHAT HAVE WE ACHIEVED AND WHERE NEXT? 2021/ 2022
