24th May 2024

Dear Parents and Carers

During the fortnight commencing 10th June 2024, we will be holding our **Unit 3 assessment weeks** for students in Year 10.

### PPEs

The assessment weeks will act as a checkpoint to see how students have progressed during this year and to allow teachers to identify gaps in learning and plan to address these during the last few weeks of school and into the next school year. Some of the Year 10 assessments will take place in the assessment area allowing students the opportunity to get used to sitting their exams in this formal exam environment in preparation for their final in school assessments which will take place next year.

### Knowledge Organisers and Homework

There will be no Knowledge Organiser homework from the 10th June to 1st July but students will need to provide evidence of their revision each morning and this will be reviewed by tutors. Knowledge Organiser homework will be reinstated the week beginning the 1st July following work experience. All students need to continue to focus on preparing for these exams by carrying out their own independent revision. The following websites can be used to support students revision for the PPE exams (there are links to these on the Atlantic Academy Website):

- Focus elearning (GCSE Science Required Practical support)
- Seneca Learning (Online revision site)
- My Maths (Online Maths revision)

Please see below a **provisional** overview for Unit 3 Examination timetable for your reference. The outcomes from these examinations will be shared with students during the week beginning 15th July.

Any student who has any **unauthorised absence** during the PPE window will be required to complete any missed exams under exam conditions on their return to the Academy and students may be expected to stay after school to complete these. We wish your child all the best and trust their preparation for these exams will go extremely well.

Yours faithfully,

Mrs L Migliari  
Vice Principal
