1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve and maintain the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind. We are an inclusive school and aim to ensure that appropriate and reasonable adjustments are made to the curriculum and the physical environment to ensure that all pupils are able to thrive within our academy.

The Trust also recognises its responsibilities towards employees with disabilities and will:

- Monitor recruitment procedures to ensure that persons with disabilities are provided with equal opportunities.
- Provide appropriate support and provision for employees with disabilities to ensure that they can carry out their work effectively without barriers.
- Undertake reasonable adjustments to enable staff to access the workplace.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan and will work with the Aspirations Regional Facilities Manager and the Local Authority SEND department to support this.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

We have included a range of stakeholders in the development of this accessibility plan, including: the facilities manager, Central Team, pupils, parents, staff of the school.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This plan has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Human Rights Act 1998
- The Special Educational Needs and Disability Regulations 2014
- Education and Inspections Act 2006
- Equality Act 2010

- DfE (2014) 'The Equality Act 2010 and schools'
- DfE (2015) 'Special educational needs and disability code of practice: 0 to 25 years'

This plan operates in conjunction with the following school policies:

- Early Years Policy
- Special Educational Needs and Disabilities (SEND) Policy
