The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process is documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

The Policy is shared with all relevant staff and can also be found on our staff drive.

## Roles and responsibilities overview

**The head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ *General Regulations for Approved Centres* booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments. (GR, section 1)

**The examinations officer** is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

**The headteacher/Principal on site (the head of centre) may not appoint themselves as the examinations officer.** A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. (GR, section 2)

### Head of centre responsibilities

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments.

**It is the responsibility of the head of centre to ensure that all staff comply with the instructions in the (*Instructions for conducting examinations*) booklet.** Failure to do so may

constitute malpractice as defined in the JCQ publication *Suspected Malpractice: Policies and Procedures, 1 September 2023 to 31 August 2024*: <https://www.jcq.org.uk/exams-office/malpractice> (ICE Introduction)

- Ensures that the examinations officer is line managed and actively supported by a member of the senior leadership team who has a good working knowledge of the examination system

### External and internal governance arrangements

- Has in place a written escalation process should the head of centre, or a member of the senior leadership team with oversight of examination administration, be absent

#### Escalation Process

Overtyping here the location of the centre's process, alternatively include it as an appendix at the end of this document (or delete this table and the heading above it if not deemed appropriate to include here)

  - the location of the centre's secure storage facility in a secure room which must only be used for the purpose of administering secure examination materials
  - the secure room only contains exam-related material
  - there are between two and six keyholders only, each keyholder must fully understand their responsibilities as a key holder to the secure storage facility
  - access to the secure room and secure storage facility is restricted to the authorised two to six keyholders (the exams officer must be one of the keyholders) and staff approved by the head of centre are accompanied by a keyholder at all times

(If it is ever subsequently identified following this check that the wrong question paper packet has been opened, it will be resealed and the incident reported to the relevant awarding body's Malpractice Investigation Team immediately)
- Makes arrangements to receive, check and store question papers and examination material safely and securely at all times and for as long as required in accordance with the current JCQ publication *Instructions for conducting examinations*
- Makes arrangements to receive and issue material received from the awarding bodies to staff and candidates, and notify them of any advice and instructions relevant to the examinations and assessments
- Allows candidates access to relevant pre-release materials on, or as soon as possible after, the date specified by the awarding bodies

- As required by an awarding body, ensures evidence of any instances of alleged or suspected malpractice (which includes maladministration) is gathered in accordance with the JCQ publication *Suspected Malpractice - Policies and Procedures* and provides such information and advice as the awarding body may reasonably require

### Policies/procedures

- Ensures risks to the exam process are assessed and appropriate risk management processes/contingency plans are in place (that allow the senior leadership team to act immediately in the event of an emergency or where the head of centre, the examinations officer or SENCo is absent at a critical stage of the examination cycle)

The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

### Exam Contingency Plan

<p><b>Atlantic Academy</b></p> <p><b>Contingency Plan - Examinations</b></p>
<p><b>Disruption to Exams</b></p> <p>Schools and colleges should prepare plans for any disruption to examinations as part of their general emergency planning, and ensure that the relevant staff are familiar with these plans.</p>

If the Principal decides to close the Academy they will discuss alternative arrangements (such as the use for exams of other public buildings nearby) with the relevant awarding organisation. It is the Principal's responsibility to ensure that parents/carers by issuing notifications on the Academy website and sending out text messages.

### **Contingency Planning**

Contingency planning for exams administration is the responsibility of the Exams Officer (EO), Principal, Leadership team and other staff with a vested interest.

### **Disruption in the distribution of examination papers**

If there is a disruption to the distribution of examination papers to centres in advance of examinations the Academy will contact the awarding organisations who should be able to provide the Academy with electronic access to examination papers via a secure external network. The awarding organisations can also fax examination papers to the centre if electronic transfer is not possible. The EO will ensure that copies are received, made and stored under secure conditions. Alternatively the awarding organisations can source alternative couriers for delivery of hardcopies of examination papers to the Academy.

### **Academy is unable to open as normal during the examination period**

If the Academy is unable to open as normal for examinations the EO will inform each awarding organisation with which examinations are due to be taken as soon as possible. The responsibility for deciding whether it is safe for the Academy to open lies with the Principal. The Principal is responsible for taking advice, or following instructions from relevant local or national agencies in deciding whether to Academy is able to open. If possible the Academy will open for examinations and examination candidates only. Alternatively the Academy may use other venues in agreement with relevant awarding organisations (e.g. share facilities with other centres or use other public building, if possible)

The Principal/Leadership team are to advise the EO in a timely manner of the full postal address of any alternative accommodation which affects the full cohort. This will enable the EO to submit the information to all the awarding Bodies. For certain candidates, the Academy may be able to offer an opportunity to sit any examinations missed at the next available series. The Academy may also apply to awarding organisations for special consideration for candidates where they have met the minimum requirements.

### **Candidates unable to take examinations because of a crisis – college remains open**

If are unable to attend Atlantic Academy to take examinations as normal, the Academy will liaise with candidates to identify whether the examination can be sat at an alternative venue in agreement with the relevant awarding organisations. Alternatively the Academy can apply to awarding organisations for special consideration for candidates where they have met the minimum requirements. Candidates are only eligible for special consideration if they have been fully prepared and have covered the whole course but are affected by adverse

circumstances beyond their control. If a candidate chooses not to sit an examination for other reasons they will be informed that special consideration rules will not apply.

### **Disruption to the transportation of completed examination papers**

If there is a delay in normal collection arrangements for completed examination scripts the Academy will seek advice from awarding organisations and the normal collection agency (Parcel Force) regarding collection. The Academy will not make arrangements for transportation without approval from awarding organisations. The Academy will ensure secure storage of completed examination papers until collection.

### **Assessment evidence is not available to be marked**

If large scale damage to or destruction of completed examination scripts/assessment evidence occurs before it can be marked, the awarding organisations are to generate candidate marks for affected assessments based on other appropriate evidence of candidate achievement as defined by the awarding organisations. The candidates can then retake affected assessment at a subsequent assessment window.

### **Miscellaneous Critical Incidents**

#### Specific Bad Weather Contingency Plan

Where a pupil misses an exam because of bad weather the Academy will discuss contingency plans with the relevant awarding organisations. The action to be taken will aim to safeguard the interests of candidates whilst also maintaining the integrity of the exams. The Academy is responsible for informing parents and pupils of the actions agreed, which may include the use of alternative venues (e.g. other public buildings nearby)

### **Absence of the Exams Officer**

In the event of the EO being absent, the following will be put in place:

Reception will have a list of invigilators due to be invigilating.

The Head of Centre will have access to keys whereby exam papers are held.

Seating Plans and access arrangements will be held in the exam room whereby the Head of Centre will have access.

Seating plans together with Exam Posters will be placed both outside and inside the exam rooms prior to the start of exams.

The Head of Centre/Colleague will collect the exam papers from the secure locked cabinet. They will both open the papers (an individual cannot open the papers with no one else around). Working from the seating plan the papers will be placed accordingly on each desk.

Please also make sure the necessary equipment is also placed on the desks, i.e. extra paper/exam answer booklets(as required).

Students will then be accompanied into the exam area in silence, they will leave their belongings in the dedicated area and ensure they have no mobile devices, smart watches etc on their person.

Once all students are seated the Head of Centre will follow the 'starting the examination' procedure from the JCQ booklet.

The invigilators will then supervise the examination. The Head of Centre will be available for any issues which may arise.

At the end of the examination the invigilators will finish the exam and collect the scripts whilst the candidates remain silent.

Once all scripts have been collected candidates will be dismissed in row order in silence.

Head of Centre/Colleague will then separate scripts between foundation/higher papers and then put the foundation papers in candidate order according to the candidate attendance record. Once the papers are separated into tiers and candidate order, the attendance record form will need to be completed (these can be found in the exams room). The top copy of the form should be placed with the exam scripts in the correct exam board envelopes. The address labels (found in the exam room) should be placed onto the corresponding envelope.

A parcel force record form (again will be found in the exam room) should be completed to track the exam scripts. Parcel force will come and collect the exam parcel.

### **Cyber-attack**

Where a cyber-attack may compromise any aspect of delivery

Centre actions: Promptly reporting any incidents to the relevant awarding body/bodies which might compromise any aspect of assessment.

Where candidates produce work electronically, ensuring their work is backed-up regularly and stored securely on the centre's IT system / Ensuring protection of the candidates' work from corruption and considering the risks and implications of any cyber-attack.

Following and regularly reviewing National Cyber Security Centre advice for support in cyber security preparedness and mitigation work / Using the NCSC's free Web Check and Mail Check services to help protect from cyber-attacks.

### **National Incident**

The Academy will take advice from JCQ and the Awarding Bodies concerned and act accordingly, keeping candidates informed. Candidates should check with the Academy and check the Academy website for up to date statements.

## Exam Contingency Day

A national contingency date will be confirmed by JCQ . This will be used to complete any exams which have otherwise not been able to go ahead due to a national incident.

## Lockdown Policy (Exams)

Ensure all students and staff are in their classroom

Report any missing students to Reception, if this is safe to do so

Secure all external classroom entrance points

Staff should take action to increase protection from further danger:

- Block access points
- Sit on the floor, against the wall or under tables if necessary.
- Keep out of sight and draw the blinds.
- Put mobile phones on silent.
- Turn off computers and smart screens
- Stay away from windows and doors

Remain in the classroom until further instruction, the all clear signal has been given or told to evacuate by SLT or emergency services.

- Ensures an internal appeals procedure is in place and drawn to the attention of candidates and (where relevant) their parents/carers

## Internal Appeals Procedure

### Appeals procedure against internally assessed marks

Atlantic Academy is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the regulations and awarding body's specification and subject-specific associated documents.

Students' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Atlantic Academy is committed to ensuring that work produced by students is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking students' work, internal moderation and standardisation will ensure consistency of marking.

If a student, when notified, does not agree with the coursework marks awarded by a teacher, and the disagreement cannot be resolved by discussion between the teacher and/or subject Coordinator and the student concerned, then the student may appeal to the Exams Officer, who will put into action the agreed appeals process.

**N.B: an appeal may only be made against the assessment process and not against the mark to be submitted to the awarding body**

- Appeals should be made as soon as possible, and must be made at least two weeks before the end of the last externally assessed paper in the examinations series.
- The Exams Officer is in overall charge of managing appeals relating to internal assessments.

- Appeals must be made in writing (using the internal appeals form, available from the Exams Officer)
- If a student wishes to appeal about his/her internal assessment marks for coursework, then the following procedures should be followed:

1. The appeal should be made in writing to the Exams Officer stating the details of the complaint and the reasons for the appeal.
2. The Academy must receive the appeal in writing by the end of May of the year in which the written examinations are taken.
3. The teacher(s) concerned in marking the assessment, which is the subject of the appeal, will respond to the appeal in writing to the Exams Officer; a copy will be given to the student.
4. If the student is not happy with the written response they have received, then they can request a personal hearing before an appeals panel.
5. The Exams Officer must receive the request for a personal hearing within two days of receipt of the written reply to the initial appeal.
6. The appeals panel will consist of 3 people: the subject teacher concerned the Subject Coordinator and one person who have not been involved in the internal assessment decision. (SLT). The Examinations Officer will convene the panel.
7. Should the student be required to present his/her case to the Panel they can be supported in the presentation by a parent/guardian or friend.
8. A written record will be kept of the proceedings. This will include the outcome and the reason/s for that outcome. A copy will be sent to the student.
9. Students will be able to gain access to the following by approaching the subject teacher:
  - The marks awarded for the internal assessment
  - All comments recorded by the academy relating to their internally assessed work
  - Any correspondence between the academy and the Awarding Body relating to their internally assessed work
  - Information available at the time of the appeal, as to whether their work was sampled by the Awarding Body
  - The moderation mark given by the Awarding Body if known Relevant Awarding Body procedures for the conduct of internal assessments

#### **Appeals procedure against centre decisions not to support an enquiry about results (EAR)**

Following the issue of results awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the Exams Officer.

The service, enquiries about results (EARs), may be requested by teaching staff or students (or their parents/carers). (EAR service 3 is not available to individual students). If a query is

raised about a particular examination result, the exams officer, teaching staff and SLT will investigate the feasibility of requesting an enquiry at the Academies expense.

When the Academy does not uphold a request from a student, the student may pay the appropriate fee, and a request will be made to the awarding body on the student's behalf.

If the student (or their parent/carer) believes there are grounds to appeal against the Academies' decision not to support an enquiry, an appeal can be submitted to the Academy using the internal appeals form at least one week prior to the internal deadline for submitting an EAR.

### **Appeals procedure following the outcome of an enquiry about results (EAR)**

Where the Principal remains dissatisfied after receiving the outcome of an EAR, an appeal will be made to the awarding body, following the guidance in the JCQ publications Post-results services <http://www.jcq.org.uk/exams-office/post-results-services> and A guide to the awarding bodies' appeals processes <http://www.jcq.org.uk/exams-office/appeals> Where the Principle is satisfied after receiving the outcome of an EAR, but the internal students' and/or their parent/carer is not satisfied, they may make a further representation to the Principle. Following this, the Principal's decision as to whether to proceed with an appeal will be based upon the Academies internal appeals arrangements. Students or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals** form should be completed and submitted to the Academy within **10 calendar days** of the notification of the outcome of the enquiry. Subject to the Principal decision, this will allow the Academy to process the appeal and submit to the awarding body within the required 14 calendar days. Awarding body fees which may be charged for the appeal must be paid by the student on submission of the internal appeals form. If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the student by the Academy

## Data Protection Policy (Exams)

### Purpose of the policy

This policy details how Atlantic Academy Portland, in relation to exams management and administration, ensures compliance with the regulations as set out by the Data Protection Act 2018 (DPA 2018) and UK General Data Protection Regulation (GDPR).

The delivery of examinations and assessments involve centres and awarding bodies processing a significant amount of personal data (i.e. information from which a living individual might be identified). It is important that both centres and awarding bodies comply with the requirements of the UK General Data Protection Regulation and the Data Protection Act 2018 or law relating to personal data in any jurisdiction in which the awarding body or centre are operating.

In these *General Regulations* reference is made to 'data protection legislation'. This is intended to refer to UK GDPR, the Data Protection Act 2018 and any statutory codes of practice issued by the Information Commissioner in relation to such legislation. (JCQ [General Regulations for Approved Centres](#) (section 6.1) **Personal data**)

Students are given the right to find out what information the centre holds about them, how this is protected, how this can be accessed and how data breaches are dealt with.

All exams office staff responsible for collecting and sharing candidates' data are required to follow strict rules called 'data protection principles' ensuring the information is:

- used fairly and lawfully
- used for limited, specifically stated purposes
- used in a way that is adequate, relevant and not excessive
- accurate
- kept for no longer than is absolutely necessary
- handled according to people's data protection rights
- kept safe and secure

To ensure that the centre meets the requirements of the DPA 2018 and UK GDPR, all candidates' exam information – even that which is not classified as personal or sensitive – is covered under this policy.

### Section 1 – Exams-related information

There is a requirement for the exams office(r) to hold exams-related information on candidates taking external examinations. For further details on the type of information held please refer to Section 5 below.

Candidates' exams-related data may be shared with the following organisations:

- Awarding bodies
- Joint Council for Qualifications (JCQ)

This data may be shared via one or more of the following methods:

- hard copy
- email

- secure extranet site(s) – AQA Centre Services; OCR Interchange; Pearson Edexcel Online; WJEC Secure Website
- [insert any other methods as appropriate to your centre e.g. a Management Information System (MIS) provided by Capita SIMS sending/receiving information via electronic data interchange (EDI) using A2C (<https://www.jcq.org.uk/about-a2c>) to/from awarding body processing systems.

This data may relate to exam entries, access arrangements, the conduct of exams and non-examination assessments, special consideration requests and exam results/post-results/certificate information.

## Section 2 – Informing candidates of the information held

Atlantic Academy Portland ensures that candidates are fully aware of the information and data held.

All candidates are:

- informed via electronic communication
- given access to this policy via written request

Candidates are made aware of the above at the start of a course leading to a vocational qualification, or, where candidates are following GCE and GCSE qualifications, when the entries are submitted to awarding bodies for processing

At this point, the centre also brings to the attention of candidates the annually updated JCQ document **Information for candidates – Privacy Notice** which explains how the JCQ awarding bodies process their personal data in accordance with the DPA 2018 and UK GDPR (or law relating to personal data in any jurisdiction in which the awarding body or centre are operating).

Candidates eligible for access arrangements which require awarding body approval are also required to provide their consent by signing the GDPR compliant JCQ candidate personal data consent form (**Personal data consent, Privacy Notice (AAO) and Data Protection confirmation**) before access arrangements approval applications can be processed online.

## Section 3 – Dealing with data breaches

Although data is handled in line with DPA/GDPR regulations, a data breach may occur for any of the following reasons:

- loss or theft of data or equipment on which data is stored
- inappropriate access controls allowing unauthorised use
- equipment failure
- human error
- unforeseen circumstances such as a fire or flood
- hacking attack
- 'blagging' offences where information is obtained by deceiving the organisation who holds it
- cyber-attacks involving ransomware infections

If a data protection breach is identified, the following steps will be taken:

### 1. Containment and recovery

Sam Hendrie, Data Protection Officer will lead on investigating the breach.

It will be established:

- who needs to be made aware of the breach and inform them of what they are expected to do to assist in the containment exercise. This may include isolating or closing a compromised section of the network, finding a lost piece of equipment and/or changing the access codes

- whether there is anything that can be done to recover any losses and limit the damage the breach can cause. As well as the physical recovery of equipment, this could involve the use of back-up hardware to restore lost or damaged data or ensuring that staff recognise when someone tries to use stolen data to access accounts
- which authorities, if relevant, need to be informed

## **2. Assessment of ongoing risk**

The following points will be considered in assessing the ongoing risk of the data breach:

- what type of data is involved?
- how sensitive is it?
- if data has been lost or stolen, are there any protections in place such as encryption?
- what has happened to the data? If data has been stolen, it could be used for purposes which are harmful to the individuals to whom the data relates; if it has been damaged, this poses a different type and level of risk
- regardless of what has happened to the data, what could the data tell a third party about the individual?
- how many individuals' personal data are affected by the breach?
- who are the individuals whose data has been breached?
- what harm can come to those individuals?
- are there wider consequences to consider such as a loss of public confidence in an important service we provide?

## **3. Notification of breach**

Notification will take place to enable individuals who may have been affected to take steps to protect themselves or to allow the appropriate regulatory bodies to perform their functions, provide advice and deal with complaints.

## **4. Evaluation and response**

Once a data breach has been resolved, a full investigation of the incident will take place. This will include:

- reviewing what data is held and where and how it is stored
- identifying where risks and weak points in security measures lie (for example, use of portable storage devices or access to public networks)
- reviewing methods of data sharing and transmission
- increasing staff awareness of data security and filling gaps through training or tailored advice
- reviewing contingency plans

## **Section 4 – Candidate information, audit and protection measures**

For the purposes of this policy, all candidates' exam-related information – even that not considered personal or sensitive under the DPA/GDPR – will be handled in line with DPA/GDPR guidelines.

An information audit is conducted Yearly.

The table below details the type of candidate exams-related information held, and how it is managed, stored and protected

Protection measures may include:

- password protected area on the centre's intranet
- secure drive accessible only to selected staff
- information held in secure area

- updates undertaken monthly (this may include updating antivirus software, firewalls, internet browsers etc.)

## **Section 5 – Data retention periods**

Details of retention periods, the actions taken at the end of the retention period and method of disposal are contained in the centre's [insert e.g. Exams Archiving Policy] which is available/accessible from Exam Policy Folder.

## **Section 6 – Access to information**

(with reference to ICO information

<https://ico.org.uk/your-data-matters/schools/exam-results/>)

The GDPR gives individuals the right to see information held about them. This means individuals can request information about them and their exam performance, including:

- their mark
- comments written by the examiner
- minutes of any examination appeals panels

This does not however give individuals the right to copies of their answers to exam questions.

### **Requesting exam information**

Requests for exam information can be made to Amy Biddle, Exam Officer in writing/email form and ID will need to be confirmed if a former candidate is unknown to current staff.

The GDPR does not specify an age when a child can request their exam results or request that they aren't published. When a child makes a request, those responsible for responding should take into account whether:

- the child wants their parent (or someone with parental responsibility for them) to be involved; and
- the child properly understands what is involved.

The ability of young people to understand and exercise their rights is likely to develop or become more sophisticated as they get older. As a general guide, a child of 12 or older is expected to be mature enough to understand the request they are making. A child may, of course, be mature enough at an earlier age or may lack sufficient maturity until a later age, and so requests should be considered on a case by case basis.

A decision will be made by Lisa Migliari as to whether the student is mature enough to understand the request they are making, with requests considered on a case by case basis.

### **Responding to requests**

If a request is made for exam information before exam results have been published, a request will be responded to:

- within five months of the date of the request, or
- within 40 days from when the results are published (whichever is earlier).

If a request is made once exam results have been published, the individual will receive a response within one month of their request.

### **Third party access**

Permission should be obtained before requesting personal information on another individual from a third-party organisation.

Candidates' personal data will not be shared with a third party.

In the case of looked-after children or those in care, agreements may already be in place for information to be shared with the relevant authorities (for example, the Local Authority). The

centre's Data Protection Officer will confirm the status of these agreements and approve/reject any requests.

### **Sharing information with parents**

The centre will take into account any other legislation and guidance regarding sharing information with parents (including non-resident parents), as example guidance from the Department of Education (DfE) regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility  
[www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility](http://www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility)  
[understanding-and-dealing-with-issues-relating-to-parental-responsibility](http://www.gov.uk/guidance/understanding-and-dealing-with-issues-relating-to-parental-responsibility)
- School reports on pupil performance  
[www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers](http://www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers)

### **Publishing exam results**

When considering publishing exam results, Atlantic Academy Portland will make reference to the ICO (Information Commissioner's Office) <https://ico.org.uk/your-data-matters/schools/exam-results/> Can schools give my exam results to the media for publication?

- Ensures the centre has a whistleblowing policy in place

### **Whistleblowing Policy (Exams)**

[Whistleblowing](#)

- Ensures the centre has documented processes in place relating to access arrangements and reasonable adjustments

### **Access Arrangements Policy**

Overtyping here the location of the centre's policy (if there is one in place), alternatively include it as an appendix at the end of this document (or delete this table and the heading above it if not deemed appropriate to include here)

There is no specific JCQ regulation that refers to a 'policy' requirement in this respect though it might be good practice to bring all aspects of the process together in one place thereby confirming the centre complies with [GR](#) (section 5.4) **Access arrangements and reasonable adjustments**

### **Conflicts of interest**

- Ensures the relevant awarding bodies are informed before the published deadline for entries for each examination series of any potential conflict of interest where:
  - a member of centre staff is taking a qualification at the centre which includes internally assessed components/units (noting that being entered by the centre must be as a last resort where unable to find an alternative centre)
  - a candidate is being taught and prepared for a qualification which includes internally assessed components/units by a member of centre staff with a close relationship to the candidate
- Maintains clear records that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected by the above, and where:

### Word Processor Policy (Exams)

#### THE USE OF A WORD PROCESSOR FOR EXAMINATIONS

##### **Principles for using a word processor**

Atlantic Academy complies with the JCQ Access Arrangements and Reasonable Adjustments regulations as follows:

**Centres are allowed to provide a word processor with the spelling and grammar check facility/predictive text disabled (switched off) to a student where this is their normal way of working within the centre and appropriate to their needs.**

Although this list is not exhaustive, reasons a student would benefit from a word processor include:

- A learning difficulty which has a substantial and long term adverse effect on the ability to write legibly;
- A medical condition;
- A physical disability;
- A sensory impairment;
- Planning and organisation problems when writing by hand;
- Poor handwriting

The use of a word processor will not be granted to a student because he/she prefers to type, works faster using a keyboard or because they use a laptop/computer at home.

The use of a word processor is agreed/processed at the start of the course. Atlantic Academy is only able to allow word processors as an access arrangement when this has been recommended by an appropriate Medical Practitioner or Specialist Assessor. In addition to the assessment, we must have sufficient evidence that the arrangement represents the student's normal way of working, and is appropriate to their needs. We therefore collect evidence for students who have access arrangements to ensure teachers fully support the need for the arrangement.

Students with access to word processors are allowed to do so in order to remove barriers for disabled students which prevent them from being placed at a substantial disadvantage as a consequence of persistent and significant difficulties.

Access to word processors is provided to students in controlled assessments or coursework components as standard practice unless prohibited by the specification.

Students may not require the use of a word processor in each specification. Subjects and their methods of assessments vary which leads to different demands on students. The need for the use of a word processor is considered on a subject-by-subject basis.

The Academy is also aware that examinations which have a significant amount of writing, as well as those that place a greater demand on the need to organise thought and plan extended answers, are those where students will frequently need to type. Examinations which require more simplistic answers are often easier to handwrite within the answer booklet.

### **The use of a word processor**

- In all cases, the Academy will ensure that a Word Processor cover sheet (Form 4) is completed and attached to each student's typed script.
- The battery capacity of all laptops is checked before the student's examination(s) with the battery sufficiently charged for the entire duration of the examination.
- Students are reminded that their centre number, exam number and the unit/component code must appear on each page as a header or footer.
- Students are instructed to use a minimum 12pt font and double spacing.
- Students are responsible for frequently saving their working during the exam.
- Word processors are accommodated in such a way that other students are not disturbed and cannot read the screen.
- Word processors are not used to perform skills which are being assessed.
- Where a student using a word processor is accommodated separately, a separate invigilator is used.
- Documents are printed after the examination has finished.
- Word processed scripts are attached to an answer booklet where the front cover has been completed by the student.

### **Word Processors and their software**

- Word processors have been cleared of any previously stored data, as must any portable storage medium.
- An unauthorised memory stick is not permitted for use by a student.
- Where required, students are provided with a memory stick, which has been cleared of any previously stored data, by a nominated member of Academy staff.

- Word processors are in good working order at the time of the exam.
- Word processors are either connected to a printer so that a script can be printed off or have the facility to print from a portable storage medium.
- Word processors are not connected to an intranet or any other means of communication.
- Students are not given access to other application such as a calculator(where prohibited in the examination), spreadsheets, etc when using a word processor.
- Graphic packages or computed aided design software is not included on a word processor unless permission has been given to use these.
- Predictive text software or an automatic spelling and grammar check is disabled unless the student has been permitted a scribe or is using voice recognition technology (the script must have a completed scribe cover sheet attached) or the awarding body's specification permits the use of automatic spell checking.
- Voice recognition technology is not included on word processors unless the student has permission to use a scribe or relevant software.
- Every effort is made to ensure that students cannot access spellcheck and the internet during examinations. However, if any student is found to remove these settings, this will be interpreted by the College as malpractice and will be reported to the appropriate Awarding Body.

- Ensures criteria for candidates granted alternative rooming arrangements is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms

### Senior leaders, Teaching staff

- Support the ALS lead/SENCo in determining and implementing appropriate access arrangements/reasonable adjustments
- purposes Produce a word processor policy, specific to the centre, which details the criteria the centre uses to award and allocate word processors for examinations

### Internal assessment and endorsements

#### Head of centre

#### **Controlled assessments, coursework and non-examination assessments**

- Ensures appropriate controls are in place which allow accurate data to be submitted to the awarding bodies, e.g. internally assessed marks
- Ensures arrangements are in place to co-ordinate and standardise all marking of centre-assessed components and ensures that candidates' centre-assessed work is produced, authenticated and marked, or assessed and quality assured in accordance with the awarding bodies' instructions (including where relevant, private candidates)
- Ensures that teaching staff, in accordance with awarding bodies' instructions, return all subject-specific forms by the required date
- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components
- Ensures an **internal appeals procedure** relating to internal assessment decisions is in place for a candidate to appeal against and request a review of the centre's marking (see Roles and responsibilities overview)
- Ensures a **non-examination assessment policy** is in place for GCE and GCSE qualifications which include components of non-examination assessment (For CCEA GCSE centres this would be a controlled assessment policy)

#### **Non-examination Assessment Policy**

**What does this policy affect?**

This policy affects the delivery of subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

The regulators' definition of an examination is very narrow. In effect, any type of assessment that is not:

- set by an awarding body
- designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
- taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment)

is classified as non-examination assessment (NEA).

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (JCQ's **Instructions for conducting non-examination assessments**, Foreword)

This publication is further referred to in this policy as [NEA](#)

## **Purpose of the policy**

The purpose of this policy, as defined by JCQ, is to

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities for non-examination assessments
- manage risks associated with non-examination assessments

The policy will need to cover all types of non-examination assessment. ([NEA](#), section 1)

## **What are non-examination assessments?**

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting;
- task taking;
- task marking. ([NEA](#), section 1)

## **Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities**

- Marks internally assessed work to the criteria provided by the awarding body
- Ensures the exams officer is provided with relevant entry codes for subjects (whether the entry for the internally assessed component forms part of the overall entry code for the qualification or is made as a separate unit entry code) to the internal deadline for entries

### **Exams officer**

- Signposts the annually updated JCQ [NEA](#) publication to relevant centre staff
- Carries out tasks where these may be applicable to the role in supporting the administration/management of non-examination assessment

### **Subject teacher**

- When work is being undertaken by candidates under formal supervision, ensures work is securely stored between sessions (if more than one session)
- When work is submitted by candidates for final assessment, ensures work is securely stored
- Follows secure storage instructions as defined in NEA 4.8
- Takes sensible precautions when work is taken home for marking
- Stores internally assessed work, including the sample returned after awarding body moderation, securely until all possible post-results services have been exhausted
