15th November 2024

Dear Parents/Carers

It's been a great second week back after half term where we have celebrated Remembrance, Anti Bullying week and Children in Need. Thanks to all who have supported this across our academy with both participation and donations.

I'm writing to inform you of some changes we will be making at the start and the end of the day at Atlantic Academy. From Monday 18th November, all students will be accessing the site via the 2 gates either side of the Main reception area. Secondary students will access the academy via the roller gate which will be open and manned by staff from 7:45.

Primary students will continue to access the Academy via the Primary gate which will open at 8:25 (Breakfast club arrangements will remain in place).

Any students arriving late at the Academy will sign in through the main reception area.

At the end of the day all secondary students will leave the site through the main roller gate. Primary students will be collected from classrooms leading onto the Primary Playground.

These arrangements revert back to pre covid times and enable a member of the senior team to be available at the school entrance every morning from 8:15 and at the end of every day. We are hoping these new arrangements will support communications between Atlantic academy and our wider community.

We look forward to seeing these changes successfully implemented from Monday 18th November.

Yours sincerely,

Miss M Heppell - Principal
