12th November 2024

Dear Parent/Carer

Re: Reception and KS1 Maths Drop in Session

We are excited to invite you to our upcoming *Maths Drop-In Session* on **Tuesday, 19th November from 8:45 am to 9:30 am**. This event is designed for parents and carers to get an inside look at how we approach maths with our youngest learners, supporting their growth as confident, curious mathematicians.

During the session, you'll have the chance to:

- Observe how maths is taught in Reception, Year 1, and Year 2 classrooms.
- Participate in activities alongside the children, giving you a firsthand experience of the engaging methods we use to build their maths skills.
- Learn some helpful strategies and tools that you can use to support your child's maths learning at home.

We believe this session will be a wonderful opportunity for you to connect with our teaching methods and to feel empowered to encourage your child's progress in maths. We are looking forward to seeing you there and sharing the exciting ways we make maths accessible and enjoyable for our youngest students.

Thank you for your ongoing support and involvement in our school community.

Yours faithfully

Mrs K Dalby
Primary Maths Lead
