Dear Parents/Carers,

We are very proud to launch our new Student Code of Conduct which has been created by the students for the students. Our Year 11, Year 6 Student Leaders and Tutor Captains have worked alongside myself and Mr David to create a set of standards we believe all students can follow.

STUDENT CODE OF CONDUCT

This Code of Conduct sets out the standards of conduct and behaviour expected of students at Atlantic Academy. All students should respect the aims and values of the School and be proud of their School community. They should do all they can to make the School a place in which all are treated with equal courtesy and kindness and are happy; where hard work is valued, a sense of fair treatment for all is honoured, artistic endeavour is promoted and individuality is celebrated.

- We respect people around us
- We are responsible for our actions
- We embrace all opportunities
- We are determined to be the best version of ourselves
- We show resilience towards achieving our goals
- We welcome everyone's individuality

ASPIRATIONS

This Student Code of Conduct is being launched this week, alongside a refresh of our current rewards system. Our students will be able to earn golden tickets and positive points for showing positive learning behaviours towards the different standards.

New rewards include a Student of Week, voted for by staff and awarded to one student in each House, in each phase and Sparx Reader of the Week.

The upper school will enjoy celebrating a Hero of the Week in tutor time each Friday and the lower school will continue to celebrate this in their Friday assembly.

Outside of school achievements will be recognised and these can be shared via the achievements@atlantic-aspirations.org email as well as students who represent the school in sports fixtures and community events.

We would like to invite all parents to our parent breakfast on Friday 14th February from 8.30am where we will be holding a Parent Forum. You will be able to give feedback on our new Student Code of Conduct and rewards strategy as well as other important information.

Yours faithfully,

Miss Frampton
Assistant Principal
