

Dear Parents/Carers,

Following last term's attendance drive and student leader initiative, we are proud to announce that we were awarded a further two attendance awards! We couldn't have done this without the hard work and commitment from all of you and we thank you for your support - let's make it even bigger and better this term!

We are excited to announce that we will be continuing our 'Attendance Streaks' for the Spring Term. Each child will have the chance to earn new Spring term badges. Displayed outside each year group are coloured lines, as children attend school each day they move their 'flame' up one space.

Our first badge is quickly approaching and will be awarded on Monday 20th January. Our other milestones during the Spring term are 30 days and 59 days as well as a number of special spot prizes.

As the unwanted Winter illnesses creep into school, we would like to draw your attention to the Pharmacy First Service that all pharmacies offer. This NHS service allows children and adults to get quick access to healthcare advice as they can walk into a pharmacy and access the service, removing the potential delay of having to wait for a GP appointment. Please see a video available through the following link for more information about this service.

Thank you for your continued support with your child's attendance.

Yours faithfully,

Miss Frampton  
Assistant Principal
