

27th February 2025

Dear Parents/Carers,

Local Walk- Monday 3rd March

On Monday 3rd March, Year 4 will be going on a Geography Fieldwork Trip of our local area.

During this trip, children will identify and recognise local flora and fauna and they will also have the opportunity to collect their own resources on the way to produce a mini self-sufficient biome. We also have the fantastic opportunity to visit an allotment to learn about seasonality and growing plant life. This is to support our ongoing project of creating a sensory garden at school.

We will be leaving school in the morning and returning before lunch time.

Please send your child in with their PE kit to get changed into, wellies and a coat. Please make sure they bring a rucksack that they are able to carry themselves with a water bottle. There is no cost for this trip.

Weekly on a Wednesday commencing the 05/03/25 - 02/04/25

Every Wednesday afternoon, Year 4 will be working on their gardening project on school grounds.

Please send your child into school with spare clothes and a pair of wellies/suitable trainers for gardening- these will get muddy. Please ensure these are labelled and in a bag.

We will be opening our Sensory Garden on the penultimate day of term, please keep an eye out for a confirmed time.

Yours faithfully,

M Siddons
