

17th February 2025

Dear Parents/Carers

GCSE Science Live! - Monday 3rd March 2025

We have the opportunity to take some of our Year 10 students to the GCSE Science Live! Conference. This will be the chance to see and hear five of Britain's top scientists, all working at the cutting edge of their specialisms. This is being held in Bath on Monday 3rd March 2025.

This conference is aimed at students who are enthusiastic about science and maybe are considering taking science subjects in Higher Education or as a future career.

There are limited tickets available as we plan on taking students by the school ,minibuses to keep costs down.

Students must wear full academy uniform and bring a packed lunch. We will be departing at **7.30am prompt and returning at approximately 5.30pm.**

There are **25 tickets available** and these will be allocated on a first come, first served basis of payment being received. The cost of the ticket is **£21** per student which covers the cost of the ticket to the conference. An offer is now open on ParentMail for you to pay. The deadline for payment is **12pm Wednesday 26th February**, or when all the tickets have been sold. Please complete the consent form [here](#).

We appreciate that this is a quick turnaround for payment but hope that students will be able to attend.

All places on the trip are dependent on behaviour in school up to the date of the trip and we reserve the right to withdraw places.

Yours faithfully

A Winsborough
