The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process is documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times

## Roles and responsibilities overview

**The head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ *General Regulations for Approved Centres* booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments. (GR, section 1)

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. (GR, section 2)

- All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

### Lockdown

Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the exams process at Atlantic Academy. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by the Ofqual (and Northern Ireland Council for the Curriculum, Examinations and Assessment)

**Exam system contingency plan: England, Wales and Northern Ireland which provides guidance in the publication *What schools and colleges and other centres should do if exams or other assessments are seriously disrupted and the JCQ Joint Contingency Plan for the Examination System in England, Wales and Northern Ireland and the JCQ document Preparing for disruption to examinations (Effective from 1 September 2023)*.**

This plan also confirms Atlantic Academy's compliance with JCQ's **General Regulations for Approved Centres** (section 5.3) that the centre has in place:

- a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations, or on results day, owing to an unforeseen emergency. The potential impact of a cyber-attack should also be considered.

#### National Centre Number Register and other information requirements

The head of centre will also ensure that Atlantic Academy has a contingency to enable the prompt handling of urgent issues only, and responds to the awarding bodies' request for information regarding the contact details of a senior member of staff (which might include a personal mobile number and/or email address). This will ensure that any urgent matters which might adversely affect candidates which arise outside of term time, and which potentially put qualification awards at risk, can be addressed by awarding bodies with the support of that member of staff. Heads of centre should ensure that this member of staff has the necessary authority to mobilise resources to provide this support, which might include resolving issues within the centre itself.

#### Head of centre absence at a critical stage of the exam cycle

Where the head of centre may be absent at a critical stage of the examination cycle, main duties and responsibilities will be escalated in accordance with the centre's written escalation process to Pete Hudson, Vice Principal who is the senior member of staff overseeing exams.

### **Meeting digital and technology standards in schools and colleges**

Cyber Security Standards for schools and colleges  
Cyber crime and cyber security: a guide for education providers  
DfE Cyber Security Guidance – March 2023

Ofqual

### **What schools and colleges and other centres should do if exams or other assessments are seriously disrupted**

This document was updated in October 2023 to include Ofqual's final decisions on long-term resilience arrangements, and the Department for Education (DfE)'s guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC),

In addition to this guidance, you will need to be aware of your specific responsibilities for local and national school preparations and contingencies. You should also follow advice from relevant public health bodies.

### **Contingency planning**

Awarding organisations are required to establish, maintain and comply with an up-to-date detailed written contingency plan, to mitigate any incident they have identified may occur. This includes having communication plans for external parties (Ofqual General Condition of Recognition A6). Schools and colleges should also be prepared for possible disruption to exams and assessments and make sure staff are aware of these plans.

### **Disruption to assessments or exams**

In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises. You should discuss alternative arrangements with your awarding organisation if:

- the exam or assessment cannot take place
- a student misses an exam or loses their assessment due to an emergency, or other event, outside of the student's control

You may also wish to see JCQ's notice to centres on exam contingency plans

and JCQ's notice on preparing for disruption to examinations in England, Wales and Northern Ireland for qualifications within its scope.

### **Steps you should take**

#### **Exam planning**

Review your contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation's requirements.

Schools, colleges and other exam centres must speak to the relevant awarding organisations as soon as possible if they are expecting any disruption that might affect the sitting of exams and assessments.

### **In the event of disruption**

- Contact the relevant awarding organisation and follow its instructions.
- Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
- Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
- Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
- In the event of an evacuation during an examination please refer to JCQ's [Centre emergency evacuation procedure](#).
- Communicate with students, parents and carers any changes to the exam or assessment timetable or to the venue.
- Communicate with any external assessors or relevant third parties regarding any changes to the exam or assessment timetable.

### **After the exam**

- Consider whether any students' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply to the relevant awarding organisation for special consideration.
- Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
- Ensure that scripts are stored under secure conditions.
- Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

### **Steps the awarding organisation should take**

#### **Exam planning**

- Establish and maintain, and at all times comply with, an up-to-date, written contingency plan.
- Ensure that the arrangements in place with centres and other third parties enable them to deliver and award qualifications in accordance with their conditions of recognition.

#### **In the event of disruption**

- Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
- Provide effective guidance to any of their centres delivering qualifications.
- Ensure that where an assessment must be completed under specified conditions, students are able to complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).
- Promptly notify the relevant regulators about any event which could have an adverse effect on students, standards or public confidence.
- Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners.

#### **After the exam**

Consider any requests for special consideration for affected students; for example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

#### **If any students miss an exam or are disadvantaged by the disruption**

If some of the students have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects, depending on their specific policies.

## **Wider communications**

The regulators, [Ofqual](#) in England, [Qualifications Wales](#) in Wales and [CCEA Regulation](#) in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The [DfE in England](#), the [DfE in Northern Ireland](#), and the [Welsh Government](#) will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption, and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the [Universities and Colleges Admissions Service \(UCAS\)](#) and the [Central Applications Office \(CAO\)](#) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

## **Widespread national disruption to the taking of examinations or assessments**

As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for examinations and assessments, including exam timetables.

In September 2023, Ofqual and the DfE published joint consultation decisions on long-term resilience arrangements. As in 2023, Ofqual has provided guidance on collecting evidence of student performance to ensure resilience in the qualifications system for students entering GCSEs, AS and A levels, the Advanced Extension Award and Project qualifications. For VTQs and other qualifications used alongside or instead of GCSEs, AS and A levels, awarding organisations will provide guidance where needed and will contact schools and colleges with more information.

In December 2022, Qualifications Wales published guidance for contingency assessment arrangements for GCSEs, AS and A levels and Skills Challenge Certificates in the event that a national decision is made to cancel exams. This guidance is still relevant for the current academic year.

The DfE has updated its guidance on [handling strike action in schools](#) in England in light of the industrial action in 2023. The guidance recommends schools should prioritise the running of examinations and assessments on any strike days, and should review their contingency plans to make this happen. Schools, colleges and other exam centres must speak to the relevant awarding organisations if they are expecting any disruption that might affect the sitting of exams and assessments.

The DfE has also issued guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC) in their buildings. It includes the need for contingencies for possible disruption to examinations and links to the existing emergency planning guidance.

We will update this page as necessary, with any further relevant links, should national disruption occur.

(Ofqual guidance extract above taken directly from the Exam system contingency plan: England, Wales and Northern Ireland - **What schools and colleges and other centres should do if exams or other assessments are seriously disrupted** (last updated 5 October 2023)

<https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted>)

JCQ

15.1 The qualification regulators, awarding bodies and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.

Further information may be found at:

<https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body/bodies.

15.3 All centres must have a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the relevant awarding body must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate 'contingency sessions' for examinations, summer 2025. This is consistent with the qualification regulators' document *Exam system contingency plan: England, Wales and Northern Ireland*:

<https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

The designation of 'contingency sessions' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

In the event of national disruption to a day of examinations in summer 2025, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the last contingency day. Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres must therefore ensure candidates and parents are aware of the contingency arrangements so that they may take them into account when making their plans for the summer.

The NCSC's free [Web Check](#) and [Mail Check](#) services can help protect schools from cyber-attacks. Two NCSC cyber security services, which are already helping thousands of organisations to protect their websites and email servers from cyber-attacks, are now available to **all UK schools**. Both tools are available free of charge, are quick to set up, and thereafter run automatically. More information is available from <https://www.ncsc.gov.uk/>

The Department for Education has been asking centres to review **National Cyber Security Centre advice** following the increasing number of cyber-attacks involving ransomware infections. The NCSC information supports centres in cyber security preparedness and mitigation work.

Ransomware attacks continue and the Department is reminding centres to review the NCSC advice and to take precautions. This includes ensuring that you have backups in place for your key services and data.

## Lockdown Policy (Exams)

This policy details the measures taken at Atlantic Academy in the event of a centre lockdown during the conducting of examinations.

Depending on the nature of the incident, centres may also decide to evacuate, invacuate (an inward evacuation) or use a protected space(s). However, this policy focuses specifically upon the actions, roles and responsibilities during an exams-related lockdown.

A lockdown may be required in the following situations (this is not an exhaustive list):

- an incident or civil disturbance in the local community which poses a risk
- an intruder on the site with the potential to pose a risk
- local risk of air pollution, such as a smoke plume or gas cloud
- a major fire in the vicinity
- a dangerous animal roaming loose
- an internal threat from a student
- any other external or internal incident which has the potential to pose a threat to the safety of exams staff and candidates

Atlantic Academy has devised lockdown procedures during the conducting of examinations after consulting [ProtectUK](#) guidance.

In the event of a lockdown during an examination the focus before, during and after an exam will be:

- training staff engaged/involved in the conducting of examinations
- how to achieve an effective lockdown
- implementing Run, Hide, Tell principles
- the welfare and safety of exam candidates and centre staff engaged in the conducting of examinations
- how to let people know what's happening
- maintaining the integrity and security of the examinations/assessments process

Roles and responsibilities

### Head of centre

- To ensure that a dedicated lockdown alarm tone is in place and recognised by all staff and candidates
- To ensure that all staff involved in the conducting of examinations are trained in how to raise the alarm for a lockdown, act effectively and made aware of their responsibilities
- To arrange appropriate training for all exams-related staff in lockdown procedures
- To ensure that candidates are aware of the procedures relating to a lockdown, particularly those arriving late for an examination who cannot access the exam room due to it being in lockdown
- To ensure that all candidates and staff are aware of a possible exit point in case an intruder manages to gain access, or the exam room becomes unsafe
- To provide written lockdown procedures for exam room/invigilator use
- To inform the relevant emergency services immediately in the case of any potential threat to the safety of exams staff and candidates

### Senior leadership team (SLT)

- To have accountability for all exams staff and candidates taking examinations during a lockdown
- To run training/drills for examination candidates on lockdown procedures
- To inform parents/carers about the centre's Lockdown Policy in relation to the conducting of examinations
- To have a presence around exam room areas prior to the start of each exam session
- To liaise with the appropriate authorities and awarding bodies regarding candidates taking examinations during a lockdown
- To use the exam room attendance register(s) to compile a list of all candidates not accounted for

### Exams officer

- To train invigilators in the centre's lockdown procedure - this should also include identifying all access and egress points within exam rooms, an awareness of the design of the locking device within each room and if there is more than one invigilator, whose role it would be to secure the exam room
- Where safe/possible, to liaise with SLT/invigilators in all exam rooms during a lockdown

- To assist with lockdown training for staff and students where applicable to the conducting of examinations

### **Invigilators**

- To be aware of the centre's lockdown procedure
- To quickly and physically secure access/egress points
- To be aware of an effective communication system to inform authorities of the situation
- To complete attendance registers as soon as possible so candidates can be identified in the event of a lockdown
- Where safe/possible, to communicate with the exams officer during a lockdown to confirm the situation in a particular exam room

SLT Staff are alerted to the activation of the lockdown procedure plan by a recognised signal through radio communication. SLT staff will communicate with classroom teachers verbally.

Lockdown procedure

### **Before an examination**

If a lockdown is required as candidates are entering/waiting to enter the exam room, the following procedure will be employed:

- A member of SLT will be present around exam room areas
- Candidates will be instructed to enter the exam room immediately
- Candidates will be instructed to remain silent, hide under exam desks or sit against a wall/around a corner but not near the door and to ensure mobile phones are on silent and non-vibrate mode
- Where safe/possible, the SLT member will communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on silent and non-vibrate mode)
- Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately

Invigilators will:

- lock all windows and close all curtains/blinds
- switch off all lights
- lock all doors and/or use tables, or any other furniture, to barricade the entrance to the examination room
- take an attendance register/head count if possible
- (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- where safe/possible, not leave the examination question papers unattended/out of sight

The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services

### **During an examination**

If a lockdown is required during the exam/when candidates are in the exam room, the following procedure will be employed

Invigilators will:

- tell candidates to stop writing immediately and close their answer booklets
- collect the attendance register
- make a note of time when the examination was suspended
- instruct candidates to remain silent, leave all examination materials on their desks and hide under desks
- where safe/possible, communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on 'silent' mode)
- lock all windows and close any/all curtains/blinds
- switch off all lights
- lock all doors and/or use tables, or any other furniture, to barricade the entrance to the examination room

- (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- where safe/possible, not leave the examination question papers and candidates' scripts unattended/out of sight

Exams Officer will:

- Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately
- The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services
- If appropriate, where safe/possible, and following centre policy, the exams officer (or invigilators in the absence of the exams officer) will initiate the emergency evacuation procedure
- Where safe/possible, the exams officer will collect all examination papers and materials for safe/secure storage following advice from the appropriate awarding bodies

### **After an examination**

If a lockdown is required after the exam/as candidates are leaving the exam room, the following procedure will be employed:

Invigilators will:

- stop dismissing candidates from the exam room
- instruct candidates who have left the room to re-enter the exam room
- instruct candidates to remain silent and hide under desks/tables
- where safe/possible, communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on silent and non-vibrate mode)
- lock all windows and close any/all curtains/blinds
- switch off all lights
- lock all doors and/or use tables, or any other furniture, to barricade the entrance to the exam room
- (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- where safe/possible, not leave the examination question papers and candidates' scripts unattended/out of sight
- where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately

### **Ending a lockdown**

- The lockdown will be ended by either:
- the sound of a defined alarm, or
- the identification/authorisation of Emergency Service officers/SLT/head of centre entering each exam room
- A specific word or phrase may be used to confirm that the instruction to end the lockdown is genuine
- Invigilators will undertake a head count/register and confirm attendance with the exams officer/SLT
- Where applicable and if advised to do so by SLT/head of centre, and following JCQ guidelines, if there is sufficient time remaining, candidates may restart their examination

Invigilators will then:

- ask candidates to return to their desks, remind them they are under formal exam conditions and allow a settling down period
- allow candidates the full working time remaining to do their examination
- recalculate the revised finish time(s)
- tell the candidates to open their answer booklets and re-start their exam
- amend the revised finish time(s) on display to candidates
- note how long the lockdown lasted on the exam room incident log (to later inform a report to the awarding body/bodies and where relevant, any centre-wide lockdown recording form/log)

The exams officer will:

- safely/securely store all collected exam papers and materials pending awarding body advice/guidance

and where this may be applicable:

- ensure appropriate follow-up is undertaken after the incident, reporting the incident to the awarding body and the actions taken, where this may be applicable
- where this may be applicable, ensure a full report of the incident is produced and retained on file if required by an awarding body
- where this may be applicable, ensure an online application for special consideration is submitted to the relevant awarding body where candidates have been disadvantaged
- At the earliest immediate opportunity the head of centre will ensure that any breach of question paper security or malpractice is reported to the awarding body

Where applicable/possible/available, SLT/exams officer will:

- discuss any alternative exam sittings with the awarding body/bodies
- offer, arrange and provide support services to staff and candidates
- At the earliest opportunity, SLT/head of centre will prepare a communication to parents/carers advising them of events (including relevant actions and outcomes)
- Where possible, exams staff and candidates will be invited to attend an assembly led by the head of centre to discuss the lockdown and offer ongoing support
- If this is not possible, communications will be provided via a centre text/email/newsletter and information uploaded to the centre website
- Ensures an internal appeals procedure is in place and drawn to the attention of candidates and (where relevant) their parents/carers

### **Internal Appeals Procedure**

Appeals relating to internal assessment decisions (centre assessed marks)

Certain GCSE, GCE and other qualifications contain components of non-examination assessment (or units of coursework) which are internally assessed (marked) by Atlantic Academy and internally standardised. The marks awarded (the internal assessment decisions) which contribute to the final grade of the qualification are then submitted by the deadline set by the awarding body for external moderation.

This procedure confirms Atlantic Academy's compliance with JCQ's **General Regulations for Approved Centres** (section 5.7) that the centre will:

- have in place and be available for inspection purposes, a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates
- before submitting marks to the awarding body inform candidates of their centre assessed marks and allow a candidate to request a review of the centre's marking

### **Deadlines for the submission of marks**

Atlantic Academy is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Atlantic Academy ensures that all centre staff follow a robust *Non-examination Assessment Policy* (for the management of GCE and GCSE non-examination assessments). This policy details all procedures relating to non-examination assessments Notice to Centres – Informing candidates of their centre assessed marks, including the marking and quality assurance/internal standardisation processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Atlantic Academy is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where more than one subject teacher/tutor is involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the marking standards to his/her marking, then he/she may make use of the appeals procedure below to consider whether to request a review of the centre's marking.

Atlantic Academy will:

- ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body
- inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark as a review will only focus on the quality of work submitted
- inform candidates that they may request copies of materials (generally as a minimum, a copy of the marked assessment material (work) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to assist them in considering whether to request a review of the centre's marking of the assessment
- having received a request for copies of materials, promptly make them available to the candidate (or for some marked assessment materials, such as artwork and recordings, inform the candidate that the originals will be shared under supervised conditions) within 21 Days
- inform candidates they will not be allowed access to original assessment material unless supervised
- provide candidates with sufficient time to allow them to review copies of materials and reach a decision, informing candidates that if their decision is to request a review, they will need to explain what they believe the issue to be
- provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests must be made in writing within 7 days of receiving copies of the requested materials in writing to the school.
- Allow 21 days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks
- ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate for the component in question and has no personal interest in the outcome of the review
- instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre
- inform the candidate in writing of the outcome of the review of the centre's marking

The outcome of the review of the centre's marking will be made known to the head of centre who will have the final decision if there is any disagreement on the mark to be submitted to the awarding body. A written record of the review will be kept and made available to the awarding body upon request.

The awarding body will be informed if the centre does not accept the outcome of a review.

The moderation process carried out by the awarding body may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

This procedure is informed by the JCQ publications [Instructions for conducting non-examination assessments](#) (section 6.1), [Review of marking \(centre assessed marks\) suggested template for centres](#) and [Notice to Centres - Informing candidates of their centre assessed marks](#)

Appeals relating to centre decisions not to support an application for a clerical re-check, a review of marking, a review of moderation or an appeal

This procedure confirms Atlantic Academy's compliance with JCQ's **General Regulations for Approved Centres** (section 5.13) that the centre will:

- have available for inspection purposes and draw to the attention of candidates and their parents/carers, a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support an application for a clerical re-check, a review of marking, a review of moderation or an appeal

Following the issue of results, awarding bodies make post-results services available.

Candidates are also made aware of the arrangements for post-results services prior to the issue of results. Candidates are also informed of the periods during which senior members of centre staff will be available/accessible immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking. Candidates are made aware/informed on results day how they can get in contact with the school.

If the centre or a candidate (or his/her parent/carers) has a concern and believes a result may not be accurate, post-results services may be considered.

The JCQ post-results services currently available are detailed below.

### Reviews of Results (RoRs):

- Service 1 (Clerical re-check)

This is the only service that can be requested for objective tests (multiple choice tests)

- Service 2 (Review of marking)
- Priority Service 2 (Review of marking)

This service is available for externally assessed components of both unitised and linear GCE A-level specifications (an individual awarding body may also offer this priority service for other qualifications)

- Service 3 (Review of moderation)

This service is not available to an individual candidate

### Access to Scripts (ATS):

- Copies of scripts to support reviews of marking
- Copies of scripts to support teaching and learning

Where a concern is expressed that a particular result may not be accurate, the centre will look at the marks awarded for each component part of the qualification alongside any mark schemes, relevant result reports, grade boundary information, etc. when made available by the awarding body to determine if the centre supports any concerns.

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for a RoR service 1 or 2 (including priority service 2) is submitted to the awarding body. Consent is required to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded. Candidate consent must only be collected after the publication of results.

Where a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking or a review of moderation, the centre will:

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support a review of results, an internal appeal can be submitted to the centre 7 days prior to the internal deadline for submitting a request for a review of results.

The appellant will be informed of the outcome of his/her appeal as soon as the centre has been made aware of the decision.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications **Post-Results Services** and **JCQ Appeals Booklet** (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the RoR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the **JCQ Appeals Booklet**. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

Appeals regarding centre decisions relating to access arrangements and special consideration

This procedure confirms Atlantic Academy's compliance with JCQ's **General Regulations for Approved Centres** (section 5.3z) that the centre will:

- have in place and available for inspection a written internal appeals procedure which must cover appeals relating to the centre's decisions relating to access arrangements and special consideration

Atlantic Academy will:

- comply with the principles and regulations governing access arrangements and special consideration as set out in the JCQ publications **Access Arrangements and Reasonable Adjustments** and **A guide to the special consideration process**
- ensure that all staff who manage and implement access arrangements and special consideration are aware of the requirements and are appropriately supported and resourced

### **Access arrangements and reasonable adjustments**

In accordance with the regulations, Atlantic Academy:

- recognises its duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates.
- complies with its responsibilities in identifying, determining and implementing appropriate access arrangements and reasonable adjustments

Failure to comply with the regulations have the potential to constitute malpractice which may impact on a candidate's result(s).

Examples of failure to comply include:

- putting in place access arrangements/adjustments that are not approved
- failing to consider putting in place access arrangements (which may be a failure to comply with the duty to make reasonable adjustments)
- permitting access arrangements/adjustments within the centre which are not supported by appropriate evidence
- charging a fee for providing reasonable adjustments to disabled candidates **Special consideration**

Where Atlantic Academy has appropriate evidence signed by a member of the senior leadership team to support an application, it will apply for special consideration at the time of the assessment for a candidate who has temporarily experienced illness, injury or some other event outside of their control when the issue or event has had, or is reasonably likely to have had, a material effect on the candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

### **Centre decisions relating to access arrangements, reasonable adjustments and special consideration**

This may include Atlantic Academy's decision not to make/apply for a specific reasonable adjustment or to apply for special consideration, in circumstances where a candidate does not meet the criteria for, or there is no evidence/insufficient evidence to support the implementation of an access arrangement/reasonable adjustment or the application of special consideration.

Where Atlantic Academy makes a decision in relation to the access arrangement(s), reasonable adjustment(s) or special consideration that apply for a candidate or candidates:

- If a candidate who is the subject of the relevant decision (or the candidate's parent/carer) disagrees with the decision made and reasonably believes that the centre has not complied with its responsibilities or followed due procedures, a written request setting out the grounds for appeal should be submitted

To determine the outcome of the appeal, the head of centre will consult the respective JCQ publication to confirm the centre has complied with the principles and regulations governing access arrangements and/or special consideration and followed due procedures.

The appellant will be informed of the outcome of the appeal within 2 calendar/working days of the appeal being received and logged by the centre.

- **Ensures the centre's equalities policy demonstrating the centre's compliance with relevant legislation is in place and details the processes followed in respect of identifying the need for, requesting and implementing access arrangements**  
<https://atlantic.academies.aspirationsacademies.org/wp-content/uploads/sites/11/2024/10/Equality-Information-and-Objectives-docx-1.pdf>

- Ensures a [complaints policy](#) covering general complaints regarding the centre's delivery or administration of a qualification is in place and drawn to the attention of candidates and their parents/carers
- Ensures the centre has a child protection/safeguarding policy in place, including Disclosure and Barring Service (DBS) clearance, which satisfies current legislative requirements [SAFEGUARDING and CP Policy](#)
- Ensures the centre has a data protection policy in place that complies with General Data Protection Regulation and Data Protection Act 2018 regulations.

Refer to GR (section 5.3) **Policies available for inspection** and (5.8) **Candidate information**

Consideration may also need to be given to the centre's policy on sharing candidates' results and other exams related information with those with parental responsibility and third parties

### **Legislation on sharing information**

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

Understanding and dealing with issues relating to parental responsibility (last updated 24 August 2023 to include )

[www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility](http://www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility)

- School reports on pupil performance: guidance for headteachers

  - o a member of centre staff is taking a qualification at the centre which does not include internally assessed components/units (noting that being entered by the centre must be as a last resort where unable to find an alternative centre)
  - o a member of centre staff is taking a qualification at another centre

## The Use of Word Processors for Exams

### Principles for using a word processor

Atlantic Academy complies with the JCQ Access Arrangements and Reasonable Adjustments regulations as follows:

**Centres are allowed to provide a word processor with the spelling and grammar check facility/predictive text disabled (switched off) to a student where this is their normal way of working within the centre and appropriate to their needs.**

Although this list is not exhaustive, reasons a student would benefit from a word processor include:

- A learning difficulty which has a substantial and long term adverse effect on the ability to write legibly;
- A medical condition;
- A physical disability;
- A sensory impairment;
- Planning and organisation problems when writing by hand;
- Poor handwriting

The use of a word processor will not be granted to a student because he/she prefers to type, works faster using a keyboard or because they use a laptop/computer at home.

The use of a word processor is agreed/processed at the start of the course. Atlantic Academy is only able to allow word processors as an access arrangement when this has been recommended by an appropriate Medical Practitioner or Specialist Assessor. In addition to the assessment, we must have sufficient evidence that the arrangement represents the student's normal way of working, and is appropriate to their needs. We therefore collect evidence for students who have access arrangements to ensure teachers fully support the need for the arrangement.

Students with access to word processors are allowed to do so in order to remove barriers for disabled students which prevent them from being placed at a substantial disadvantage as a consequence of persistent and significant difficulties.

Access to word processors is provided to students in controlled assessments or coursework components as standard practice unless prohibited by the specification.

Students may not require the use of a word processor in each specification. Subjects and their methods of assessments vary which leads to different demands on students. The need for the use of a word processor is considered on a subject-by-subject basis.

The Academy is also aware that examinations which have a significant amount of writing, as well as those that place a greater demand on the need to organise thought and plan extended answers, are those where students will frequently need to type. Examinations which require more simplistic answers are often easier to handwrite within the answer booklet.

### The use of a word processor

- In all cases, the Academy will ensure that a Word Processor cover sheet (Form 4) is completed and attached to each student's typed script.
- The battery capacity of all laptops is checked before the student's examination(s) with the battery sufficiently charged for the entire duration of the examination.
- Students are reminded that their centre number, exam number and the unit/component code must appear on each page as a header or footer.
- Students are instructed to use a minimum 12pt font and double spacing.
- Students are responsible for frequently saving their work during the exam.
- Word processors are accommodated in such a way that other students are not disturbed and cannot read the screen.
- Word processors are not used to perform skills which are being assessed.
- Where a student using a word processor is accommodated separately, a separate invigilator is used.
- Documents are printed after the examination has finished.
- Word processed scripts are attached to an answer booklet where the front cover has been completed by the student.

### Word Processors and their software

- Word processors have been cleared of any previously stored data, as must any portable storage medium.
- An unauthorised memory stick is not permitted for use by a student.

- Where required, students are provided with a memory stick, which has been cleared of any previously stored data, by a nominated member of Academy staff.
- Word processors are in good working order at the time of the exam.
- Word processors are either connected to a printer so that a script can be printed off or have the facility to print from a portable storage medium.
- Word processors are not connected to an intranet or any other means of communication.
- Students are not given access to other applications such as a calculator (where prohibited in the examination), spreadsheets, etc when using a word processor.
- Graphic packages or computer aided design software is not included on a word processor unless permission has been given to use these.
- Predictive text software or an automatic spelling and grammar check is disabled unless the student has been permitted a scribe or is using voice recognition technology (the script must have a completed scribe cover sheet attached) or the awarding body's specification permits the use of automatic spell checking.
- Voice recognition technology is not included on word processors unless the student has permission to use a scribe or relevant software.
- Every effort is made to ensure that students cannot access spellcheck and the internet during examinations. However, if any student is found to remove these settings, this will be interpreted by the College as malpractice and will be reported to the appropriate Awarding Body.
- Ensures criteria for candidates granted alternative rooming arrangements is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms  
Alternative Rooming Arrangements Policy (Exams) Overtyping here the location of the centre's policy (if there is one in place), alternatively include it as an appendix at the end of this document or overtype the centre's policy here (or delete this table and the heading above it if not deemed appropriate to include here)

Refer to AA (sections 4.2, 5.16) and ICE (section 14.18)

**Alternative rooming arrangements, e.g. a room for a smaller group of candidates with similar needs** (formerly known as separate invigilation)

**Why have a policy on this?**

In certain circumstances, a candidate with 'an established difficulty' may be eligible to take exams in alternative rooming arrangements. Centres may also receive requests from candidates (and/or parents/carers) to take their exams in alternative rooms. Having a documented policy ensures:

- the criteria for candidates granted alternative rooming arrangements is clear and complies with JCQ regulations
- the centre can demonstrate the policy if asked/challenged by a candidate (and/or parent/carer)

**Senior leaders, Teaching staff**

- Support the SENCo in determining and implementing appropriate access arrangements/reasonable adjustments
- Produce a word processor policy, specific to the centre, which details the criteria the centre uses to award and allocate word processors for examinations

**Internal assessment and endorsements**

**Head of centre**

**Controlled assessments, coursework and non-examination assessments**

- Ensures appropriate controls are in place which allow accurate data to be submitted to the awarding bodies, e.g. internally assessed marks
- Ensures arrangements are in place to coordinate and standardise all marking of centre-assessed components and ensures that candidates' centre-assessed work is produced, authenticated and marked, or assessed and quality assured in accordance with the awarding bodies' instructions (including where relevant, private candidates)
- Ensures that teaching staff, in accordance with awarding bodies' instructions, return all subject-specific forms by the required date
- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components
- Ensures an **internal appeals procedure** relating to internal assessment decisions is in place for a candidate to appeal against and request a review of the centre's marking (see Roles and responsibilities overview)

- Ensures a **non-examination assessment policy** is in place for GCE and GCSE qualifications which include components of non-examination assessment (For CCEA GCSE centres this would be a controlled assessment policy)

## Non-examination Assessment Policy

This policy affects the delivery of subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

- The regulators' definition of an examination is very narrow. In effect, any type of assessment that is not:
- set by an awarding body
- designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
- taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment) is classified as non-examination assessment (NEA).

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (JCQ's **Instructions for conducting non-examination assessments**, Foreword)

This publication is further referred to in this policy as NEA

### Purpose of the policy

The purpose of this policy, as defined by JCQ, is to:

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities for non-examination assessments
- manage risks associated with non-examination assessments

The policy will need to cover all types of non-examination assessment. (NEA, section 1)

### What are non-examination assessments?

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting;
- task taking;
- task marking. (NEA, section 1)

### Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities

## Special Consideration Policy

### What is special consideration?

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control **at the time of the assessment**. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can only go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their assessments. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for a qualification or a unitised examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardise the standard of the qualification. (JCQ's **A guide to the special consideration process**, section 1)

This publication is further referred to in this policy as SC

### Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that Atlantic Academy will... submit any applications for special consideration where candidates meet the published criteria. (JCQ's General Regulations for Approved Centres, section 5.9)

### Eligibility for special consideration

### Roles and responsibilities

#### Head of centre

- Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication SC
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams officer

#### Exams officer

- Understands the criteria as detailed in SC to determine where candidates will/will not be eligible for special consideration
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies

#### Teaching staff and/or SENCo

- Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration

#### Candidates (or parents/carers)

- Provide any medical or other evidence that may be required to determine eligibility for special consideration

### Applying for special consideration

Where eligible, special consideration will be applied for at the time of the assessment where candidates... have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control. (SC, section 2)

For candidates who are present for the assessment but disadvantaged, Atlantic Academy must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment. (SC, section 3)

1. Where a candidate may arrive for an exam and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
  - the candidate will be kept comfortable and under centre supervision from the required time while appropriate arrangements are put in place for the candidate to take the exam in the best possible conditions
  - a judgement will be made on how the candidate's situation or disposition affected performance in the exam
  - where appropriate and where eligible, special consideration will be applied for
  -
2. Where candidates may be affected by a major disturbance in the exam room (emergency evacuation, etc.), an online application for special consideration will be submitted to the relevant awarding body where candidates have been disadvantaged.
3. Where a candidate takes multiple exams (three or more exams) timetabled for the same day and the total duration for those papers is more than 6 hours (GCE and Level 3 exams) or more than 5 hours 30 minutes (GCSE, Level 1 and Level 2 exams) including any approved extra time but not any time taken for supervised rest breaks, special consideration for an allowance on the last paper taken will be applied for.
4. Where a candidate may be affected by a minor disturbance in the exam room caused by another candidate (momentary bad behaviour, mobile phone ringing etc.), special consideration cannot be applied for.

If a candidate is absent from a timetabled component/unit for acceptable reasons, and the centre is prepared to support an application for special consideration, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. (([SC](#), section 4)

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in [SC 5](#) and applied for where eligible. This might include, for example:

- other certification
  - coursework/non-examination assessment extensions
- shortfall in work (coursework/non-examination assessment)
- lost or damaged work (non-examination assessment components)
  - taking an incorrect or defective question paper
  - candidates taking the wrong controlled assessment or non-examination assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow [SC 7](#) and awarding body guidance to determine if, when and how an adjustment can be applied for.

- For GCE and GCSE qualifications, applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration

#### Late applications

If, after the publication of results for a particular exam series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a member of the senior leadership team is able to produce compelling evidence to support a late application.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.

#### Candidates

- Provide appropriate evidence to support special consideration applications, where required

#### Unauthorised items

##### Arrangements for unauthorised items taken into the exam room
