

13th June 2025

Dear Parent / Carer

RE: Primary PSHE Reminder

Below is a summary of the letter sent out in September 2024, outlining our P.S.H.E programme for all year groups. As we enter our summer term we begin our 'Growing and Changing' unit of work; this contains lessons on changing bodies, puberty and sex education. Children may come home with questions after this content is delivered, please do make time to engage with these.

At Atlantic Academy, we promote our children's wellbeing and personal development through a comprehensive and thorough programme of Personal, Social and Health Education (P.S.H.E) which provides our students with the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives.

I have attached our yearly overview of P.S.H.E, from Reception through to Year 6. I am sharing this with you to invite any feedback or answer any questions. Please contact myself (Ms Powell) using this [contact form](#), addressing your message to me, ahead of content being delivered. I am able to share full lesson plans upon request.

The Department for Education has guidance for the Relationships area of the curriculum and it is compulsory for Relationships and Sex Education (R.S.E) to be taught in all Primary and Secondary schools. It is worth noting that, "There is no right to withdraw from Relationships Education at primary or secondary as we believe the contents of these subjects - such as family, friendships, safety (including online safety) are important for all children to be taught" (DFE, 2020).

We continually review our P.S.H.E curriculum and policy in order to ensure that our provision is appropriate and meets the needs of all of our children in respect to their age, physical and emotional maturity, religious and cultural backgrounds, and special educational needs and/or disabilities; adjustments can and are made where appropriate.

Yours faithfully,

Ms Powell
