Dear Parents/ Carers

GCSE Results Day - Thursday 21st August

Students can join us at the academy to collect their results from 8.30am to 9.30am. There will be a number of staff members on site to congratulate students, respond to any enquiries about results and to offer guidance on Sixth Form/ College options and other opportunities and pathways. In advance, you will find post-results service on the Joint Council for Qualification (JCQ) [website](#).

We appreciate that not all students will be able to collect their results in person on the results day. Therefore, students can nominate a responsible adult to collect them on their behalf. To authorise this collection Miss Biddle (Exams Manager) will need to be notified by students via email in advance [abiddle@atlantic-aspirations.org](mailto:abiddle@atlantic-aspirations.org). The content of the email will need to state the name of the responsible adult who will be collecting the results. On collection, the responsible adult will need to present picture identification. Alternatively, results statements not collected will be placed in the post at the end of the day. Please notify our main office if you need to declare any changes of address. If you have any questions, please do not hesitate to contact us.

We would like to take this opportunity to thank you for your continued support. We are so proud of the students and their efforts and are incredibly excited about celebrating their successes in the summer.

Yours faithfully
