25th September 2025

Dear Parents/Carers

Times Tables Parent Workshop - Thursday 9th October - 2.30pm

On Thursday 9th October we invite you into your child's class to learn about the build up to the end of Year 4 Times Tables Multiplication check (MTC) and how best to help your child succeed. We will host a short information session, followed by a selection of activities for you to complete with your child. These will be examples of things you can do at home to support their learning of Times Tables.

Refreshments will be provided and we will also host a Q & A session for any questions you have about upcoming events.

We look forward to hosting you.

Yours faithfully

E Powell
