Dear Parents/Carers

RE: We Love Portland Photography competition

Dear Parent/ Carer, We invite your child, or children, to send in photos they have taken of Portland. We wish to create a permanent record of the things we love about our island. There are four categories they can enter :

- **Natural Portland** - capture the many natural wonders of our island, both large and small
- **Working Portland** - seek out and showcase the many ways people earn their way where we live
- **Active Portland** - we are gifted a wonderful playground that attracts visitors from across the globe
- **My Portland** - this is our home, where we make our lives; what does this look like to you?

Photos can be emailed to creative@atlantic-aspirations.org any time between now and Tuesday November 4th. Entrants are welcome to direct any questions to Mr Dalby in school and parents are welcome to use the above email if they have questions of their own. Every entry will be awarded with positive points, with further awards for the top entrant in each category plus a final overall winner. Aspiring photographers can enter in any or all of the categories and we look forward to seeing how imaginative they can be!

You may enter photos that have already been taken or go out and find new inspiration, but please ensure entries are your children's own work. We wish to produce a gallery of images to showcase how our young people see their home in both the community as well as the school, with the top 30 entries forming part of a permanent exhibition.

Yours faithfully,

Mr S Dalby

Head of Creative Technologies
