19th December 2025

Dear Parents and Carers of Year 10 and Year 11 Students,

As we approach the Christmas holiday period, we would like to begin by recognising how positively our Key Stage 4 students have stepped up this term. Year 10 and Year 11 students have worked hard and shown real commitment to their learning, and we are pleased to have seen clear improvements from Year 11 in results from the end of Year 10 to the first set of mock examinations. This progress is a direct reflection of their effort and determination.

To ensure this momentum continues, all KS4 students will be expected to complete homework in each of their GCSE subjects over the Christmas break. This work will help students consolidate their learning, strengthen key knowledge, and build confidence ahead of future assessments.

Teachers will explain the required tasks before the end of term, with full details and resources available on each subject's Google Classroom. We encourage you to remind your child to check Google Classroom regularly. Relevant class codes are included at the bottom of this letter.

The Christmas break offers a valuable opportunity for students to balance rest with focused independent study. Planning their time carefully and completing work to a high standard will support continued progress. Please note that, in line with school policy, incomplete or insufficient work will result in appropriate consequences, including detentions.

Thank you for your continued support. We wish you and your family a happy, healthy Christmas and a wonderful New Year.

Yours faithfully,

S Ives

Sophie Ives
Assistant Principal, Curriculum

Year 11 Google Classroom Codes:

Year 11 classroom codes			
Google classroom name/ subject	Classroom code	Google classroom name/ subject	Classroom code
Maths	Foundation - syeymxk7 Higher - 7eyoulnp	Art	wete7jn
